[Ben. Act III]

*(Part II.—Of the Application of Water for Public Purposes.—
Sections 6-9.)*

PART II.

Of the Application of Water for Public Purposes.Notification
when water-
supply to be
applied for
public
purposes.

6. Whenever it appears expedient to the ¹[State Government] that the water of any river or stream flowing in a natural channel, or of any lake or other natural collection of still water, should be applied or used by the Government for the purpose of any existing or projected canal,

the ¹[State Government] may, by notification in the ²[*Official Gazette*], declare that the said water will be so applied or used after a day to be named in the said notification, not being earlier than three months from the date thereof.

Powers of
canal-officer.

7. At any time after the day so named, any canal-officer acting under the orders of the ¹[State Government] in this behalf may enter on any land and remove any obstructions, and may close any channels, and do any other thing necessary for such application or use of the said water.

Notice as to
claims for
compensa-
tion.

8. As soon as is practicable after the issue of such notification, the Collector shall cause public notice to be given at convenient places stating that the Government intends to apply or use the said water as aforesaid, and that claims for compensation in respect of the matters mentioned in section 11 may be made before him.

A copy of sections 11, 12 and 13 shall be annexed to every such notice.

Contents of
notice.

9. When any claim for compensation is made before the Collector in accordance with the last preceding section, the Collector shall issue a notice requiring all persons interested in the matter in respect of which compensation is claimed to appear personally or by agent before him at a time and place therein mentioned (such time not being earlier than fifteen days after the date of publication of the notice), and to state the nature of their respective interests in the property affected, and the amount and particulars of their claims to compensation for such interests.

Notice to
occupiers.

The Collector shall also serve notice to the same effect on the occupier (if any) of the land entered on, and on such persons known or believe to be interested in the matter in respect of which compensation is claimed, or to be entitled to act for persons so interested, as reside within his district.
