

**Further Queries & Responses regarding REOI of PMC as raised by some potential bidders as on 05.02.2019**

Sl. No.	Query	Remarks / Responses
1.	Instead of Letter of Award can Agreement be given as documentary evidence of projects, as agreement will also help define the scope of works.	<p>The relevant part of the short-listing criteria's para (i) is as below;  <i>"the Firm should have completed at least three such assignment including Project Management Consultancy or similar Supervision and monitoring of Works, General Project Management, Environmental Management, Resettlement Plans (RPs), Grievance Redressal Mechanism (GRM), etc. Plan at least in one project supported by the World Bank during last ten years, preferably relating to major irrigation / water resources / flood management, in India for Central / State Government. (The Consultant should provide a copy of the letter of Award of Contract from the Client, brief scope of assignment and documentary evidence of its completion in last ten years)."</i></p> <p><b>"Agreement"</b> may be considered in lieu of the <b>"Letter of Award"</b> as documentary evidence of award of projects. However documentary evidence of <b>completion</b>, as already mentioned in REOI, is necessary.</p>
2.	It is stated in the EoI that firms with maximum numbers of projects will get full marks. Of these projects, what weight age will be given to projects related to Infrastructure / Flood Management/ Water Resources / Major Irrigation and Should all these projects have completion date within 10 years.	<p>Regarding the query, please go through the Sl. No. (i) of the short-listing criteria of REOI; relevant part of which is quoted below:-  <i>"..... projects related to infrastructure development will be considered in general, but preference would be given to experience as Project Management Consultancy or similar undertaken for major irrigation / water resources / flood management projects."</i></p> <p>It is clear from above that any project related to <i>"major irrigation / water resources / flood management"</i> will be given equal weightage.</p> <p>In respect to "maximum number of Projects", please refer to Point – I and Point – II of shortlisting criteria, separately. In both cases the period of consideration is "Last Ten Years".</p>
