CIRCULAR

Dated, Bidhannagar, 2nd September, 2020.

It has been come to notice that for some time past, some Surveyors, Draughtsmen and Tracers of various offices under Irrigation & Waterways Directorate are not getting their fixation benefit after being promoted to the post of Surveyor Grade-I, Draughtsman Grade -I and Tracer Grade-I as the case may be. Moreover it has also been observed that some offices are/were not allowing the proper fixation benefit from the date of such promotion (particularly from the period on and from 2nd January to 30th June) after getting promoted in the same Level in terms of point 2(iii) of Finance Department, Audit Branch Notification No. 6042-F(P₂) dated 07.11.2019. Such instances are increasing day by day causing administrative inconvenience.

It has been clearly stated in the said notification that a Government employee, who, after availing 1st/2nd/3rd higher Level on completion of 8/16/25 years of service gets promotion (functional/nonfunctional) in the same Level, will get pay fixation benefit from the date of such promotion and he will get next increment on next 1st July whether he completes six months service or not.

It is therefore directed/requested that all concerned should be apprised to follow the Finance Department, Audit Branch Notification No. 6042-F(P₂) dated 07.11.2019 strictly.
