CIRCULAR

It has been observed that the prospective appointees are facing inordinate delay in appointment on compassionate ground under Irrigation & Waterways Directorate. Hence, in an effect to expedite the appointment procedure some procedural clarifications are being made.

The **Three men Enquiry Committee** should note the following points while considering and recommending the cases pertaining to compassionate appointment.

1. Committee will calculate the monthly income of the family on the basis of prescribed proforma, issued vide labour Department's Notification No. 251-Emp., dated: 03.12.2013, as an approximate value, instead of waiting for office of the A.G.'s final admissibility and sanction of pension.
2. Field level inspection may be conducted by the committee, if required, to ascertain the income generated from movable & Immovable properties.
3. Educational qualification certificates for passing Class-VIII(Eight) & Class-IX(Nine) need not be sent to District Inspector of schools concerned in a routine manner. Instead, the same may be verified from the Head Master/Head Mistress/ Teacher-in-charge etc. . Physical/spot verification of the documents, if required, may be made at the time of field inspection. In exceptional circumstances where malafide intention is apprehended by the committee, then only documents may be sent to the D.I. of schools for verification. This CIRCULAR issues in partial modification of earlier all Circulars issued in this respect.
