Sub:- Considering eRation card and Ration card in Digilocker at par with Physical Ration card.

Madam/Sir,

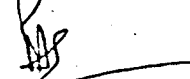

Department of Food & Supplies issues Digital Ration cards to the beneficiaries for getting subsidized foodgrains (Except non subsidized card). These cards also being used as identity proof or address proof by various other departments.

For the convenience of the beneficiaries, Department had introduced electronic Ration Card (eRC). A beneficiary can take print out of eRation card and all PDS facilities are available through it. Data of these ration cards can also be verified easily through the Verify Ration card (eRC/DRC) option (Under Ration card (b) of the Departmental website www.food.wb.gov.in. Entire details can also be verified only by entering the Ration Card number.

Besides, Department is integrated with Digilocker and any beneficiary can download their ration card in digilocker. As you are aware, issuing certificates or documents in Digital Locker System and accepting certificates or documents shared from Digital Locker Account is at par with Physical Document.

It has been came to the notice of this department that officials of some Departments insist on submission physical ration cards as a documentary proof wherever applicable. I would like to request you to kindly instruct all concerned in your Department to consider eRation Card and Ration Card stored in Digilocker at par with physical Ration card.

Yours faithfully

Secretary
