CIRCULAR

On earlier occasion, this Department issued a CIRCULAR bearing No. 292-IW-11011(34)/3/2023, dated: 01.02.2024 (copy enclosed), regarding delay in re-submission of pension cases which have been returned to different Pension Sanctioning Authorities (P.S.A.s) under Irrigation & Waterways Directorate with certain observations. But it is reported from the office of the Accountant General (A & E), West Bengal, that a considerable number of pension cases are still lying pending with different P.S.A.s till date. It not only causes delay in facilitating a retired employee with payment of retirement benefits on time, it also invariably invites litigations, complaints made through platforms created by the Government for redressal of grievances of pensioners as well as representation under RTI Act etc.

Hence, in order to mitigate the issues, a list of such pending cases relating to different Pension Sanctioning Authorities under Irrigation & Waterways Directorate are enclosed for ready reference and all concerned are therefore, being requested to re-submit such pending cases directly to the office of Accountant General (A & E), West Bengal, as listed herewith, along with suitable replies/clarifications, as sought for, to settle up without any further delay. However, if any pending pension case, mentioned in the enclosed list has already been settled in the meantime, that also has to be intimated to the aforesaid office along with proper reference.

This may be treated as extremely urgent.

Encls: As stated above.

CIRCULAR

The office of the Indian Audit And Accounts Department, Principal Accountant General(A&E), West Bengal vide their No. Pen. Co-ordn./284-Vol-III, dated: 30.01.2024 has informed the Irrigation & Waterways Department that despite of their regular persuasion through correspondence with different Pension Sanctioning Authority under Irrigation & Waterways Department, a total number of 135(One Hundred and Thirty Five) pension cases(list enclosed) are still lying pending with the concerned PSAs. Such pendency in authorizing pensionary benefits invites other complications such as Court cases, Complaints through numbers of platform, RTI applications etc.

Considering the above, all the Chief Engineers are, therefore directed to look into the matter personally and impress upon all the PSAs concerned under their jurisdiction to re-submit such pending cases along with replies/clarifications sought for to settle the cases without any further delay. PSAs may also be instructed to contact with the office of the Indian Audit And Accounts Department, Principal Accountant General(A&E), West Bengal, in case of any difficulty in this regard.

However, if any pending pension case mentioned in the enclosed list has already been settled in the meantime, that should be intimated to the aforesaid office with a copy to this Department.

This may be treated as **extremely urgent**.
