Guideline regarding implementation of reservation for Persons with benchmark Disabilities (PwBDs) for the services and posts under Government of West Bengal in the Model 100-Point Roster of Vacancies:

Section 34 of the Rights of Persons with Disabilities (RPWD) Act, 2016 ((49 of 2016), has mandated that every appropriate Government shall appoint in every Government establishment, not less than four percent of the total number of vacancies in the cadre strength in each group of posts meant to be filled with persons with benchmark disabilities (PwBDs). In pursuance of the aforesaid provision under RPWD Act, 2016, the Rule 11(4) of the Rights of Persons with Disabilities Rules, 2017, notified by the Ministry of Social Justice & Empowerment Govt of India, states that the reservation for persons with benchmark disabilities in accordance with the provisions of section 34 of the Act shall be horizontal and the vacancies for persons with benchmark disabilities shall be maintained as a separate class.

A new Notification with regard to the Model 100 point Roster has been published by the Labour Department, GoWB, vide No Labr/20-Emp/EC/1M-01/2025 dated 27/01/2026. For proper implementation of the reservation policies for PwBDs in all services and posts under the State Government by respective Appointing Authorities, the following guidelines are issued in accordance with para 2(b) of the aforesaid notification of the Labour Department:

1. Quantum of Reservation for Persons with Benchmark Disabilities (PwBDs):

(i) As per section 34 (1) of the RPWD Act, 2016-

"Every appropriate Government shall appoint in every Government establishment, not less than four percent of the total number of vacancies in the cadre strength in each group of posts meant to be filled with persons with benchmark disabilities of which, one percent, each shall be reserved for persons with benchmark disabilities under clauses (a), (b) and (c) and one percent for persons with benchmark disabilities under clauses (d) and (e), namely:—

(a) blindness and low vision;

(b) deaf and hard of hearing;

(c) locomotor disability including cerebral palsy, leprosy cured, dwarfism, acid attack victims and muscular dystrophy;

(d) autism, intellectual disability, specific learning disability and mental illness

(e) multiple disabilities from amongst persons under clauses (a) to (d) including deaf-blindness in the posts identified for each disabilities."

(ii) In terms of the prevailing notification of the Labour Department, GoWB, PwBD reservation points in the Model 100-Point Roster shall be at:

12 (UR-PwBD),

42 (UR-PwBD),

72 (UR-PwBD),

90 (SC-PwBD).

These roster points are generic PwBD points and are not disability-wise earmarked at the roster stage.

Disability-wise allocation shall be determined only at the stage of recruitment, based on actual appointments and maintenance of a disability-wise rotation register in every establishment.

2. Identification of Suitable Posts for PwBDs:-

(i) As per Section 33 (i) and (ii) of the RPWD Act, 2016, every appropriate Government shall constitute an Expert Committee for identification of posts in the govt establishments which can be held by respective category of persons with benchmark disabilities in respect of the vacancies reserved in accordance with the provisions of section 34.

For the State of West Bengal Appropriate Govt means the W & CD & SW, Department, GoWB.

(ii) All Departments under the State Government shall identify suitable posts for reservation for Persons with benchmark Disabilities and submit the proposal in the prescribed format to the Expert Committee formed by the W & CD & SW, Department, GoWB under section 33(ii), RPWD Act, 2016, for ratification.

(iii) If any post has been identified as suitable only for one category / two categories / three categories of Disabilities as described in Point 1 of this guideline (Quantum of Reservation for Persons with Benchmark Disabilities), reservation in that post shall be given to persons with that identified category (ies) of Disability only. Reservation of 4% shall not be reduced in such cases and total reservation in the post shall be distributed equally, as far as practically possible, among the eligible candidates having identified categories of benchmark disabilities.

3. Adjustment against vacancies not reserved for PwBD:-

(i) A person with benchmark Disability can be appointed by direct recruitment to a post against any vacancy not specifically reserved for the persons with benchmark disabilities, provided the post has

been identified by the State Govt as suitable for persons with benchmark Disability of the same category to which the person belongs. Any such person with benchmark disabilities, selected on the basis of his / her rank and caste status in the UR/SC/ST/OBC merit list of an examination along with other non-PwBD candidates, shall not be adjusted against the reserved share of vacancies for PwBDs.

(ii) The vacancies, reserved for PwBDs shall be filled up separately from amongst the eligible candidates with identified benchmark disabilities and comprised of candidates with benchmark disabilities who are lower in rank than the last candidate in the general merit list, but otherwise found eligible for appointment as per the related notification for recruitment published by the Recruitment Authority.

4. Requisition and Advertisement for PwBD vacancies:-

(i) The Appointing Authority, after identification of the posts by the Expert Committee shall, send the requisition to the Recruiting Agency or Authority, as the case may be, for filling up of post(s) specifying the categories of benchmark disabilities identified for PwBD reservation in the Model 100 point Roster.

(ii) In accordance with the section 34(1) of the RPWD Act, 2016, the Appointing Authority shall strive to ensure to fill up the vacant posts, reserved for the PwBDs with persons with benchmark disabilities, of which, one percent each shall be reserved for the identified categories of Disability. To ensure the aforesaid provision of the Act, while sending the requisition, the Appointing Authority will exclude the categories of disabilities which have already been covered in the same cycle of Model 100-Point Roster and categorically mention the same in the requisition to the Recruiting Authority.

(iii) The Recruiting Authority shall mention in the advertisement only those specific categories of disabilities identified for PwBD reservation by the Appointing Authority.

(iv) In case, the Appointing Authority has intimated in its requisition letter to exclude the categories of Disabilities, already covered in the same cycle of Model 100-Point Roster, the Recruitment Authority shall also categorically mention the same in the advertisement for recruitment to ensure transparency.

(v) Thus the Appointing Authority shall specify, in its requisition, the following:

a) the exact PwBD roster point(s) involved in the recruitment, namely -12 [UR-PwBD], 42 [UR-PwBD], 72 [UR-PwBD] and 90 [SC-PwBD], as applicable;

b) the categories of benchmark disabilities identified as suitable for the post, in accordance with section 33 of RPWD Act, 2016, against such involved Roster Point ;

c) whether, within the same cycle of the Model 100-Point Roster, any PwBD roster point has already been filled and, if so,

- i) the roster point number, and
 - ii) the identified benchmark disability category already accommodated.
- (d) Recruitment advertisements shall strictly and categorically mirror such requisition.

Illustrative Scenarios:

Scenario I: A post, identified as suitable for all the categories of PwBD as specified at Point 1 of this guideline (QUANTUM OF RESERVATION):

In any given cycle of the Model 100-Point Roster for a post, let us assume that the:

Roster Point No. 12 [UR-PwBD] has already been filled up by a candidate with benchmark disability under Clause (a) (Blindness & Low Vision), and Roster Point No. 42 [UR-PwBD] by a candidate with benchmark disability under Clause (b) (Deaf & Hard of Hearing), as specified at Point 1 (QUANTUM OF RESERVATION). In such a scenario, while sending the requisition for the same post in the subsequent recruitment drive, where vacancies arise at Roster Point No. 72 [UR-PwBD], and Roster Point No. 90 [SC-PwBD], as specified at Point 1 (QUANTUM OF RESERVATION), the Appointing Authority must clearly specify in the requisition that only PwBD candidates belonging to the remaining benchmark disability categories under Clauses (c), (d) and (e), namely:

Locomotor Disability, etc. [Clause (c)],

Autism/ID/SLD/Mental Illness [Clause (d)], and

Multiple Disabilities including Deaf-Blindness [Clause (e)],

shall be eligible to apply against the PwBD reserved vacancies for those roster points. The Recruiting Agency shall also mandatorily reflect the same in the recruitment advertisement/notification.

However, PwBD candidates belonging to Clauses (a) and (b), as specified at Point 1 (QUANTUM OF RESERVATION) shall not be barred from applying against other unreserved or social category vacancies (UR/SC/ST/OBC) for the same post on their own merit, and if selected, such appointments shall not be adjusted against the 4% PwBD quota.

Further, in filling up Roster Point No. 90 [SC-PwBD], the candidate selected must necessarily belong to both the SC category as well as one of the remaining benchmark disability categories (c), (d) or (e) as specified at Point 1 (QUANTUM OF RESERVATION).

Scenario-II: A post, identified as suitable for only two categories as specified at Point 1 (QUANTUM OF RESERVATION): In any given cycle of the Model 100-Point Roster, let us assume that the post has been identified as suitable for disabilities categories (a) & (b) only. In this case, each identified category will be entitled to get 2 % reservation.

At Roster Point No. 12 (UR-PwBD), candidates of both Disability (a) and Disability (b) are eligible to compete. A candidate belonging to Disability category (a) is selected on merit and appointed. Now, next vacancy arises at Roster Point No. 42 (UR-PwBD) in the same or subsequent recruitment drive for the same post. Since Disability category (a) has already been accommodated at Roster Point No. 12, the requisition shall restrict eligibility only to Disability category (b), being the remaining identified benchmark disability. Therefore, the advertisement shall expressly state that only Disability (b) candidates are eligible for the PwBD vacancy. It is to be noted here that permitting Disability (a) to compete again would defeat the mandatory equal entitlement of Disability (b) under Section 34(1).

Note-1: Exclusion of an identified disability category [here disability (a)] in a recruitment drive, at the stage of requisition & advertisement, for the purpose of ensuring equal distribution of reservation under Section 34(1), shall be deemed to be temporary and conditional in nature. If any eligible PwBD candidate, belonging to the identified benchmark disability category [here disability (b)] is not available, the vacancy shall be carried forward to the next recruitment drive. In case, again no eligible PwBD candidate belonging to category (b) is available in that recruitment drive, the Appointing Authority shall exercise the provision of inter-category interchange in the subsequent recruitment drive in accordance with Section 34(2) of the RPwD Act, 2016. During that subsequent recruitment drive, the previously excluded benchmark disability category [in this example, category (a)] will again become eligible for recruitment, subject to the prior approval of the W & CD & SW Department.

The procedure of effecting inter-category interchange among the identified categories for a post has been described in the following two Explanations:

Explanation to Note-1: Disability category (a) shall not be allowed to participate in the two successive recruitment drives when the vacancy is to be filled up specifically by Disability category (b). The scope of interchange among the identified disability categories, under Section 34(2) of the RPwD Act, 2016, shall only arise after the Appointing Authority duly records non-availability of any eligible candidate belonging to the disability category (b) in two successive recruitment drives. The benchmark disability category [here category (a)] excluded in two successive recruitment drives shall be included in the subsequent (third) recruitment drive, only if such inter-category interchange among the identified categories is formally approved by the W & CD & SW Department.

Explanation 2 to Note- 1: Process of advertisement on the eve of interchange

If eligible candidate belonging to the Disability category (b) remains unavailable even after two successive recruitment drives, then the appointing authority shall record non-availability with reasons and seek prior approval of the W & CD & SW Department to formally invoke the provision for inter-category interchange among the identified categories for that post. Only after such approval, a fresh / revised requisition has to be furnished by the Appointing Authority to Recruitment Authority and subsequently a fresh/revised advertisement has to be brought out in the following manner:

Both the identified categories of disabilities (a) and (b) will now become eligible for the above-mentioned carried forward PwBD vacancy. Only at this stage, the Disability category (a) once again lawfully becomes eligible for consideration under the provision of interchange among the identified disability categories as mentioned under Section 34(2) of the RPwD Act, 2016.

Scenario III: Filling up the Roster Point No. 90 [SC-PwBD] for a post, identified as suitable for all the categories of PwBD as specified at Point 1 (QUANTUM OF RESERVATION):

In any given cycle of the Model 100-Point Roster for a post to fill up the Roster Point No. 90 [SC-PwBD], the candidate selected must necessarily belong to both the SC category as well as one of the remaining identified benchmark disability categories, excluding the identified categories which have already been covered at the Roster points 12, 42 & 72.

Only upon non-availability of such eligible SC-PwBD candidates, the procedure of carry-forward and inter-category interchange as per the provision under Section 34(2) of the Act shall be followed with the prior approval of the W & CD & SW Department, GoWB.

5. Preparation of Merit List:

(i) A separate Merit List only for the PwBD candidates as mentioned in point 3(ii) [Adjustment against vacancies not reserved for PwBDs] is to be prepared by the Recruiting Agency / Authority, indicating category of benchmark Disability along with respective social category status (UR / SC etc) against each of such PwBD candidates. Now, while filling up an earmarked PwBD vacancy in the Model 100 Point Roster, other than point No 90 [SC (PwBD)], a candidate (excluding the categories

of benchmark disabilities already covered in the same cycle of 100-Point Roster, if any) shall be selected as per her /his rank in the PwBD merit list, if available. In case of Roster point No 90 (SC (PwBD), the highest ranked SC (PwBD) candidate (excluding the categories of benchmark disabilities already covered in the same cycle of 100-Point Roster) in the Merit List for the PwBD candidates is to be selected, if available.

(ii) In successive recruitment cycles, if candidates belonging to a particular identified Disability Category are consistently securing higher positions in the merit list for PwBDs, it shall not entitle such candidates of that particular Disability category to occupy all the PwBD roster points of the same roster cycle. Once an identified Disability category has been accommodated at one of the PwBD roster points, subsequent PwBD vacancies in that cycle shall be filled up by other benchmark disabilities as identified for that post subject to availability because provision of horizontal reservation for PwBDs cannot be converted into a mechanism for monopolisation by any single identified, disability category.

For example: - In case of recruitment for any post, identified for all categories with PwBDs, in any given cycle of Model 100-Point Roster, if the vacancy occurred in Roster Point No. 12 is to be filled up, all five PwBD categories of benchmark disabilities will be eligible to compete for such vacancy and the candidate scoring highest rank in the PwBD Merit List, irrespective of his/her category of benchmark Disability shall be selected for such vacancy.

Again, in case of any subsequent recruitment for the same post, if the vacancy occurred at Roster Point Nos. 42 and /or 72 are to be filled up, only the remaining four categories of benchmark disabilities, except the category of benchmark Disability borne by the previously selected candidate already placed at Roster Point No. 12, will be eligible to compete for such vacancies and shall be included in the PwBD Merit List as per their merit. However, any other candidates having the already covered benchmark Disability can compete for any vacancy, not specifically reserved for the persons with benchmark disabilities, provided the post is identified suitable for persons with benchmark Disability of the said category and such candidates shall be adjusted in the Model 100 Point Roster, following the process as mentioned at Point No. 3 of this guideline (**ADJUSTMENT AGAINST VACANCIES NOT RESERVED FOR PwBDs**) of this guideline and will not feature in the PwBD merit list.

In case of recruitment for the same post, if the vacancy occurred at Roster Point No. 90 (SC-PwBD) is to be filled up, the highest ranked SC candidate with benchmark Disability of the specified category (excluding the categories of benchmark disabilities already covered in the same cycle of 100-Point Roster, if any), as per PwBD Merit List is to be selected, if available.

6. Carry Forward of PwBD Vacancy:-

(i) As per Section 34(2) of the RPWD Act, 2016-

"Where in any recruitment year any vacancy cannot be filled up due to non-availability of a suitable person with benchmark disability or for any other sufficient reasons, such vacancy shall be carried forward in the succeeding recruitment year and if in the succeeding recruitment year also suitable person with benchmark disability is not available, it may first be filled by interchange among the five categories and only when there is no person with Disability available for the post in that year, the employer shall fill up the vacancy by appointment of a person, other than a person with disability"

(ii) Where in any recruitment year, 90th vacancy in the Model 100-point Roster cannot be filled up due to non-availability of a suitable SC (PwBD) person belonging to the required category of Disability or for any other sufficient reasons, such vacancy shall be carried forward in the succeeding recruitment year and if in that succeeding recruitment year, again a suitable SC (PwBD) person belonging to the required category of Disability is not available, the vacancy may first be filled by a suitable SC (PwBD) person, through interchange among the other identified categories of disabilities for that post. Only when there is no SC (PwBD) person with any identified category of benchmark Disability available for the post in that year, the employer shall fill up the vacancy by appointment of a SC person, other than a PwBD.

(iii) For the both scenario mentioned above, i.e. (i) & (ii), the Employer/Appointing Authority will seek the prior approval of the Department of Women & Child Development & Social Welfare, Government of West Bengal, being the "appropriate Government" and in no circumstances shall any PwBD vacancy be automatically de-reserved or diverted to non-PwBD category without exhausting the carry-forward, inter-change, and approval process under Section 34(2).

7. Effecting Reservation - Maintenance of Register:-

(i) In addition to the general Model 100-Point Roster of Vacancies, every appointing authority shall mandatorily maintain a separate, post-wise and group-wise 100-Point Register exclusively for PwBD vacancies, in the prescribed format (Annexure-I) enclosed with this guideline to ensure strict compliance with the 4% reservation mandate under Section 34(1) of the RPWD Act, 2016 and the horizontal reservation principle under Rule 11 of the RPWD Rules, 2017.

(ii) In the said PwBD Register, only appointments made against the earmarked PwBD roster points, namely 12 [UR-PwBD], 42 [UR-PwBD], 72 [UR-PwBD] and 90 [SC-PwBD] in each cycle of 100 appointments, shall be mapped and monitored. The disability category shall be recorded only after

appointment & actual joining of PwBD candidate and shall be based on the medical certification of the selected candidate.

(iii) All the PwBD vacancies occurred chronologically would be filled up by rotation among the categories of benchmark disabilities, identified for the post, applying the procedure explained in Example 1, 2, 3 & 4 of Annexure-I (enclosed) and recorded in the PwBD Register, only after appointment & actual joining of PwBD candidate based on the medical certification of the selected candidate.

(iv) PwBD candidates selected on merit against UR/SC/ST/OBC vacancies shall not be adjusted against PwBD roster point, and such appointments shall not be counted towards the 4% PwBD reservation and shall not feature in this Register.

(v) All entries made in the PwBD Register shall be authenticated by the Appointing Authority and any deviation from the prescribed manner of effecting PwBD reservation shall be treated as a violation of Sections 33 and 34 of the RPwD Act, 2016.

These guidelines are issued in concurrence with the Rights of Persons with Disabilities Act, 2016, the Rights of Persons with Disabilities Rules, 2017 and notification issued by the Labour Department, Government of West Bengal vide no Labr/20-Emp/EC/1M-01/2025 dated 27/01/2026.
