The concerned Executive Engineers also remained present.

Agenda: Recommendation of new schemes for accordance of administrative approval under State Development Schemes Budget of this Department for 2019-20 under Advance Planning out of 1<sup>st</sup> phase of Departmental allocation for 2019-20.

Secretary took the chair. Financial Advisor, Chief Engineer (South West), Chief Engineer (South) and other officers remained present.

The following were discussed:

1. Technically sanctioned DPR of 57 no. of new schemes at an aggregate cost of Rs. 239.72 crore were initially placed in the meeting for discussion. Further DPR of 2 no. of new schemes were placed in the meeting.
2. The DSC scrutinized all the DPRs' in conformity with the Departmental manuals for lining works and those for bank protection works. In all the schemes relating to construction of CC roads, there is no need to provide any reinforcements. Thus the schemes were recast and resubmitted. The Chief Engineer (South West) stated 150mm thick CC blocks for bank protection work included in scheme under Sl. 10 may be permitted in a deviation to provisions in the departmental manual.
3. The scheme for re-excavation of Durbachati river was directed to be revised as technical anomalies were detected. The hydraulic design along with technical note for design discharge of the river is to be determined considering tidal affects in the outfall to river Rupnarayan. The design bed level and gradient for excavation of the said river is to be fixed based on hydraulic design which is required to be submitted along with the scheme.
4. After a threadbare discussion, 56 no. of schemes at an aggregate cost of Rs. 147.47 crore were accepted by the DSC for accordance of administrative approval under State Development Schemes budget provisions of 2019-20 under Phase-I advance allocation.
5. Nomenclature of a few schemes was modified to make them commensurate with the capital works and some minor corrections were incorporated.
6. The Chief Engineers certified that there is no duplication of proposal with any other sources of funding, and all the schemes have been selected by them on the basis of prioritized ground level requirements.
7. Finally, 56 (fifty six) no. of new schemes at an aggregate cost of Rs. 147.47 crore were cleared by the DSC for inclusion under State Development Schemes Budget.
8. Tenders are to be invited during current financial year but expenditure would be made from next FY of 2019-20.

The meeting ended with vote of thanks.
