Schemes under SI 5, 1725, ,35,37,41 of the original list were recast after incorporating minor technical corrections.
3. The DSC scrutinized the remaining 35 no of DPRs' and found wide deviations in all the schemes framed by the Siliguri Irrigation Division from the Departmental manual and guidelines, and thus after detailed deliberation, necessary corrections were made.
4. Nomenclatures of a few schemes were modified to make them commensurate with the capital works and some minor corrections were incorporated. Cost of a few schemes was modified on technical reasons.
5. The Chief Engineer (North East) certified that there is no duplication of proposals with any other source of funding, and all the schemes have been selected by them on the basis of prioritized ground level requirements.
6. Finally, 35 (thirty five) no. of new schemes at an aggregate cost of **Rs. 51.45 crore** as per enclosed list (Annexure) were cleared by the DSC for inclusion under State Development Schemes Budget of 2019-20.
