Memo No. 275

Dated, 02.06.2021

From:  
S. Dey  
Chief Engineer (Mechanical & Electrical)  
Irrigation & Waterways Directorate  
Jalasampad Bhawan,  
Salt Lake, Kolkata 700 091

To:  
The Secretary to the Government of West Bengal  
Irrigation & Waterways Department

**Sub:** *Proposal for fresh contractual engagement of Sri P. Lahiri as Project Supervision Consultant for a period of 3 (three) months for undertaking day to day supervision of the ongoing vital project PLC-SCADA based automation of Messanjore Dam.*

Ref: Earlier contractual engagement order of I&WD vide Memo No. 19-IB dated 16.05.2021.

Sir,

The contractual engagement of Sri P. Lahiri as a Project Supervision Consultant for 3 (three) months was issued vide I&WD vide Memo No. 19-IB dated 16.05.2021 in connection with the ongoing PLC-SCADA based automation project of Messanjore dam, the engagement period has expired on 31.05.2021. Sri P. Lahiri has been released from his duties and contract terminated on 31.05.2021.

However, due to present pandemic situation, the progress of the main project work at site has been slow and the completion of the installation and commissioning of the PLC-SCADA automation of the dam is likely to take at least further 3 to 4 months.

Engagement of Sri Lahiri as Supervision Consultant has been satisfactory and is to the benefit of the project implementation, considering his expertise in Electronics and instrumentation aspects of the project. At present the electronic and instrumentation component of work is in progress at a critical phase.

Based on the feedbacks received from the Engineer-in-Charge and SE/SW, M&E Circle, I request you to permit contractual engagement for another 3 (three) months from the date of his actual joining in the interest of maintenance of quality of work field checking etc considering his expertise. I feel it is extremely important for the interest of smooth completion of the project.

Yours faithfully,

  
02/06/2021

Chief Engineer  
Mechanical & Electrical  
Irrigation & Waterways Directorate
