

**Irrigation & Waterways Department
Jalasampad Bhaban, 3rd Floor, Western Block
Bidhannagar, Salt Lake City 700091**

No. 211 - IB

Dated, 26th July, 2023

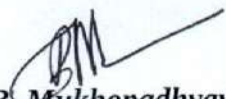

ORDER

Irrigation & Waterways Department maintains a good number of Govt premises (residential colonies, offices, stack yards, inspection bungalows, rest shed) and vital structures like dam, weirs and drainage pumping stations, which require close surveillance throughout the year to ensure security and safety against theft and vandalism. Previously, such premises were used to be guarded by Govt night guards, security personnel, chowkidar etc. With the superannuation of Govt staffs for guarding Govt premises and non-recruitment of such staffs, there is no option left but to go for engagement of private security agencies to protect such Govt properties.

Now, Finance Department has agreed to the engagement of 365 (Three Hundred and Sixty Five) no security personnel by outsourcing through agency as per rate applicable to unskilled manpower for different office, godown, stackyard etc. under control of the Department in 17 no of Divisions for a period of **one year**. Division wise approved no private security personnel are detailed at Annexure to this Order. Approved strength should be judiciously used by the Executive Engineers upto the extent possible. All financial norms should be followed during engagement of such agencies through tender. Fresh approval should be taken from the Department for engagement of such personnel after the instant term of one year. **No new engagement of manpower will be permitted without prior approval of Finance Department.**

All expenditure for engagement of security personnel by outsourcing through agency should be booked under Head of Account of **2711-01-001-00-001-78-V** under 'Administrative Expenditure' budget of I&WD as contained in B.P.18 under Demand No.32.

This order issues with the concurrence of the Finance Department vide their **Group P2 U.O No. Group P2/2023-2024/0162** dated **15.05.2023**.

(B. Mukhopadhyay)
