Also such certificates when being issued by other than direct State / Central Government Departments and Railways should contain a declaration that the work has been executed to the satisfaction of the Government Department concerned and has been declared complete in all respect by the competent authority of the concerned Department.

6. Eligibility criteria

- i. Eligibility of agency based on work credential will be calculated as per norms stated in the quotation. While determining the eligibility criteria, the “Amount put to quotation” of the work executed by the bidder will be considered towards calculation of the work credential.
- ii. Monetary value (Amount put to tender) of the executed work thus submitted will be further multiplied by the following factors to take care of the inflationary effects to arrive at the net notional amount.

Year	Description	Multiplying factor to arrive at net notional amount
Current	-	1.00
1st	1 year preceding the current financial year	1.08
2nd	2 years preceding the current financial year	1.16
3rd	3 years preceding the current financial year	1.26
4th	4 years preceding the current financial year	1.36
5th	5 years preceding the current financial year	1.47

Note: For cases where two bidders participating in a quotation for a particular work are such that one happens to have worked as a sub-agent of the other and both bidders submit work credential of having completed the same job either wholly or partly, then in such cases the credential of the principal agency will be considered while that of the sub-agent will not be taken into consideration for determining the eligibility criteria of the bidders towards the quotation. However if the credentials submitted are for different works then both the credentials will be considered towards determining the eligibility criteria of the bidders.

Financial proposal of any contractor will come under the purview of consideration only if the criteria mentioned below is fulfilled

Net notional amount calculated from the Completion Certificate (CC) issued in favour of the agency/firm/consortium for a work of similar nature should be at least **50% (or equal to the requirement as stated in column 8 of list of works above)** for the amount put to tender for the work. However, for consortiums where CC of individual entities of the consortiums are to be considered, the sum of the work values in the CC of individual entities for works of similar nature should be at least **100% (or twice the requirement as stated in column 8 of list of works above)** of the amount put to tender for the work.

7. Eligibility criteria for participating in more than one tender in a NIQ

- i. Submission of tenders by one single bidder in excess of 50% of the no of works in any particular NIQ will not be considered.
- ii. Normally separate Completion Certificates (CC) of 100% completed works is to be provided for participation in separate works in a particular NIT. However, CC for one particular work may be considered as eligible for participation in maximum two numbers of serials, provided required credential for two such works (to be arithmetically added) satisfies the requirement in all respect from one such completion certificate.

8. Penalty for suppression / distortion of facts

If any bidder fails to produce the original hard copies of the documents (especially Completion Certificates and audited balance sheets), or any other documents on demand of the Quotation Inviting Authority within a specified time frame or if any deviation is detected in the hard copies from the corresponding uploaded soft copies or if there is any suppression / distortion / falsification noticed at any stage of tender processing prior to the issue of work order, the Tender Inviting Authority will immediately bring the matter to the notice of the Superintending Engineer who upon suggesting suitable punitive measures will place the matter to the Chief Engineer concerned within 15 days of receipt of complaint from the Quotation Inviting Authority and the bidder may be suspended from participating in the tenders on e-Tender platform of I&WD as per approval of the Chief Engineer for a maximum period of 3 (Three) years. In addition, his Earnest Money Deposit will stand forfeited to Government. The Chief Engineer concerned will issue the necessary suspension orders with intimation to the agency, other Chief Engineers, e-Tendering Cell and also the Department. Copy of such order should also invariably be communicated to the Nodal Officer, e-Governance of this Department with a request to upload the same in the Departmental website. Besides, the Irrigation & Waterways Department may take appropriate legal action against the defaulting bidder. For tenders where such suppression / distortion / falsification is detected at an advanced stage of tender processing, the concerned Chief Engineer will be the deciding authority as to what further necessary actions are to be taken up regarding the quotation.

9. Taxes & duties to be borne by the Contractor

Income Tax, VAT, Sales Tax, Royalty, Construction Workers' Welfare Cess and similar other statutory levy / cess will have to be borne by the contractor and the rate should be quoted accordingly after consideration of all these charges.

10. Site inspection before submission of tender

Before submitting any quotation, the intending quotationers should make themselves acquainted thoroughly with the local conditions prevailing at site by actual inspection of the site and taking into consideration all factors and difficulties likely to be involved in the execution of work in all respect including transportation of materials, communication facilities, climate conditions, nature of soil, availability of local labour and market rate prevailing in the locality etc. and no claim, whatsoever, will be entertained on these account afterwards. In this connection intending quotationers may contact the office of the Executive Engineer, Purulia Irrigation Division between 11.30 hours to 16.30 hours on any working day prior to date of submission of quotations.

11. Conditional and incomplete tender

Conditional and incomplete quotations are liable to summary rejection.

12. Opening and evaluation of quotation

- For Tenders up to 45 lakhs from 5.00 Lakhs: Executive Engineer Purulia Irrigation Division.

12.3 Uploading of list of technically qualified tenderers

- i. Pursuant to scrutiny and decision of the Tender Evaluation Authority (TEA) after Technical Bid Evaluation, the list of eligible bidders qualified through Technical Evaluation for a particular serial of work whose Financial Proposals will be considered will be uploaded in the web portals.
- ii. While evaluation, the Authority may summon the bidders and seek clarification / information or additional documents or original hard copy of any of the documents already submitted and if these cannot be produced within the stipulated time frame, their proposals will be liable for rejection.

12.4 Opening and evaluation of Financial Proposal

- i. Financial proposals of the bidders declared technically eligible by the Quotation Evaluation Authority will be opened electronically by the Quotation Inviting Authority from the web portal stated above on the prescribed date.
- ii. Intending bidders may remain present if they so desire.
- iii. The encrypted copies will be decrypted and the rates will be read out to the bidders remaining present at that time.
- iv. After opening of the financial proposal the preliminary summary result containing inter- alia, name of contractors and the rates quoted by them will be uploaded.
- v. If the Quotation Evaluation Authority is satisfied that the rate obtained is fair and reasonable and there is no scope of further lowering down of rate, he may after having the comparative statement test checked by the Divisional Accountant / Divisional Accounts Officer attached to the office of the Executive Engineer, as the Quotation Inviting Authority, upload the final summary result containing the name of bidders and the rates quoted by them against each work after acceptance of the rate.
- vi. However, if there is any scope for lowering down of rates in the opinion of the Quotation Accepting Authority, all the bidders will be notified through the website to attend either sealed bid or sealed bid followed by open bid if felt necessary by the Quotation Accepting Authority in his presence at prescribed date and time, which will be done offline, i.e. as manually, as per present procedure.
- vii. After holding such bids, final result after acceptance of the rate by the Quotation Accepting Authority would have to be uploaded in the web portal.
- viii. The Quotation Accepting Authority may ask any of the bidders to submit analysis to justify the rate quoted by that bidder.

12.5 Procedure to be followed when one/two technically qualified bidder/s participates in any quotation.

- a. If there is no bidder or the number of bidder in the 1st call is less than four (4), the quotation has to be cancelled. In case of participation of more than four (4) bidders, technical evaluation is to be done and if the number of technically qualified bidder is less than four (4), the quotation has also to be cancelled.
- b. Fresh quotation in the form of 2nd call may be invited immediately after relaxation of the credential criteria to the extent deemed necessary by the Tender Inviting Authority and advertisement in widely circulated newspapers.
- c. Even if, after taking appropriate steps, if the number of technically qualified bidder in the 2nd call is less than three (3), results of Technical Bid Evaluation of 2nd call would be uploaded and financial bid of the technically qualified bidder(s) of the 2nd call would be opened and would be considered in the process of evaluation for acceptance following usual procedure.
- d. The process would continue unless one valid bidder is found.

13. **Bid Validity:** The Bid will be valid for **120 days** from the date of opening of the financial bid. However extension of bid validity may be considered if required, subject to written confirmation of the bidder(s) to that effect

14. Acceptance of Quotation

Lowest valid rate should normally be accepted. However, the Quotation Accepting Authority does not bind himself to do so and reserves the right to reject any or all the quotations, for valid reasons and also reserves the right to distribute the work amongst more than one quotationer.

14.1 Quotation Accepting Authority

As per prevalent orders of I&WD Tender Accepting Authority for different quotations rate to be approved by the concerned Superintending Engineer then to be accepted by Executive Engineer, Purulia Irrigation Division.
