No. 10500-F dated 19.11.2004 and subsequently extended vide G.O. No. 1110-F dated 10th February, 2006 to Westinghouse Saxby Farmers Ltd., & Britannia Engineering Ltd.

i) Exemption of depositing Earnest Money with the Tender.

ii) Security Money maximum up to 1.00 lakh.

12) Dropping of Tenders:- Tender that should always be submitted in sealed cover with the name of work clearly written on the body of the W.B.F. No.2911 stated above as well as on the envelope will be dropped in the Office of the Assistant Engineer,-Teesta Mechanical Sub Division-III.

13) Opening of Tenders: -i) after dropping of Tenders, the box will be closed and the said box will be opened in the same day as per schedule time at the office of the undersigned.

ii) Tender to be opened by the concern Assistant Engineer or by his authorized representative on the scheduled date & Time as stated in the N.I.T. or in the Corrigendum in presence of the participating Tenderer or his/their authorized representatives who may be present at the time of opening and will put initials in the opening register.

iii) Once the tenders are opened, no tenderer should be allowed to offer fresh quotations unless each of the tenderer is given equal opportunity. In case where the later steps taken, if time permits, fresh tenders may be invited so as to leave no room for any compliant or grievance whatsoever and,

iv) when the rates quoted in response to invitation of competitive tenders are considered high and fresh invitation of tenders cannot be taken recourse to either for want of time or because of no likelihood of getting more favourable rates and negotiations with contractors are considered necessary for obtaining rates lower than those received in response to the invitation of competitive tenders, negotiations should be made with all the contractors who quoted rates in response to the invitation of tenders, and not with the lowest tenderer alone.

14) Acceptance of Tender Acceptance of the tender will rest with the undersigned who does not bind himself to accept the lowest tender and reserves the right to reject in any or all the tenders received and to distribute work between two or more than two Tenderers without assigning any reason thereof.

OTHER TERMS & CONDITIONS.

15) Executive Engineer of the concerned Division is the Engineer in Charge in respect of the contact and all correspondences concerning rates, claims, change in specification and/or design and similar important matters will be valid only if accepted/recommendeded by the Engineer-in-Charge. If any correspondence of above tender is made with officers other than the Engineer-in-Charge for speedy execution of work, the same will not be valid unless copies are sent to the Engineer-in-Charge and approved by him. Instruction given by the Sub Divisional Officer/Assistant Engineer and the Section Officer/Junior Engineer on behalf of the Engineer-in-Charge shall also be valid (who have been authorized to carry out the work on behalf of the Engineer-in-Charge) regarding specification, supervision, approval of materials and workmanship. In case of any dispute the decision of Engineer-in-Charge shall be final and binding.

16) Original challan of materials, which are procured by the contractor/ bidder, may be asked to be submitted for verification by the undersigned.

17) Any suppression/misrepresentation of fact will automatically debar the applicant for participating in any Tender under the Division/ Circle for at least 3 (Three) years from the date of detection, in addition to such other penal action as the Government may deem proper.

18) Intending Tenderers should be equipped with plants, machinery equipment and well point pumping machinery complete with all accessories as required for the work as the department may not be in a position to issue such plants & machinery. They must submit a list of such plants; machinery and equipments in their possession for necessary documentary evidence are to be produced.

19) Undersigned shall not entertain any claim whatsoever from the contractors/ bidders regarding payment of compensation on account of idle labour or machines becoming idle, for any circumstances including untimely rains, other natural calamities, strikes or on such grounds including non-possession of land the working zone.

20) All pages of the documents submitted with the application shall be signed with signature by the applicant and also be serially numbered as 1/10,2/10,3/10.....10/10

21) All sort of precautions should be taken for the safety of the work force deployed by the contractor and also others at worksite as per safety rules as is enforced by appropriate authority. The contractor will remain liable towards payment of compensation in accordance with the Workman's Compensation Act etc for the labourers engaged and should deal to settle such cases promptly. Proper road signs as per PWD practice will have to be erected by the contractor at his own cost while operating on or near public thoroughfares.

- 22) Copies of Partnership Deed and Firm Registration duly self-attested shall invariably be submitted with the application by a partnership firm.
- 23) Tenderers should quote their rates both figures and words in terms of overall percentage, "below" or "above" or "at par" with the price schedule both in the 2nd page of W.B.F 2911 and the last page of price schedule.
- 24) Any tender containing over writing is liable to be rejected.
- 25) Quantity of various items of work mentioned in the tender schedule or in work order is only tentative. **During actual execution, these tendered items may vary, even substantially. Payment will be made on the basis of quantum of work actually done in different items and as per specification and no claim will be entertained for reduction of quantities in some items or due to omission of some tendered items.** For execution of quantitative excess in any item beyond 10% or supplementary works, approval of the Executive Engineer/ Superintending Engineer/ Chief Engineer Government in the Irrigation and Waterways Department would be required depending on who ever is the Tender Accepting Authority and financial involvement thereof, before making any excess and/ or supplementary item work payment.
- 26) When a Tenderer signs his Tender in an Indian Language, the Total amount tendered should also be written in the same language. In case of illiterate Tenderer, the rates tendered should be attested by a witness.
- 27) The Tenderer who will sign on behalf of a Company or Firm, must produce the registered documents within 3(Three) days from the date of opening the tender, if not submitted with the tender application or with the Tender documents) in support of his competency to enter in to an Agreement on behalf of the Company or the Firm under the Indian Companies or Partnership Act, failing which the tender will not be considered and the deposited Earnest Money will be forfeited.
- 28) The rate quoted by in the tender form will be final and no subsequent modification in the rates will be entertained even it is done with any letter or other instrument submitted before sealing/closing the Tender box.
- 29) Any superfluous conditional tender, which does not fulfill any of the above conditions, and is incomplete in any respect, is liable to be rejected.
- 30) Any Tax, Royalty, and all other statutory Levy/ Cess etc. whatever is imposed by the appropriate Government after issuance of work order/ commencement and completion of the work, will have to borne by the Contractor/ bidder. The engaged Contractors need to get registered under BOCW (RECS) Act and shall have to contribute towards a fund namely "**The West Bengal Building & other Construction worker's Welfare Fund**" @1.00%(one point zero zero percent) of the total amount of the work value which will be deducted directly from the bill value and remitted as per requirement of the said Act as per Finance Department Notification No. 853-F dated 01.02.06.
- 31) All quarries and disputes arising out of the works tender contract is to be brought to the notice of Chairman of the Departmental Dispute Redressal Committee in writing for decision within 15 days.
- 32) Incomplete and illegible tender will be invalidated. All corrections in the tender should be signed with dated initial by the contractors before submission of tender and each page of the tender should also be signed and dated by the contractor.
- 33) The contractor has to obtain the Labour license from the office of the Joint Labour Commissioner of the concerned District in which the location/ site of the work falls, under the provision of W.B.Contract Labour (Regulation & Abolition) rules, 1972 and a copy of the license has to be submitted to this office for information & record, failing which the undersigned will in no case be hold responsible for any action taken by the Labour Department.
- 34) As per rule, the intending tenderer has to disclosed his/ their name (s) & style of another firm /individuals (where he is also officiating) in the application for issuing tender forms failing which the decision of the undersigned regarding the matter will be final & binding upon all.
- 35) The Tenderer should submit a statement at the time of submission of his tender showing the Technical Staff to be engaged for the work, with their Technical qualifications, failing which the tender may be liable to rejection.
- 36) The Tenderer will have to, if so desired by the Tender Accepting Authority, submit his analysis to justify the rate quoted by him/them.
- 37) The Tenders will be opened, as specified in the list of works, in presence of the Participating Tenderers or their duly authorized representatives, who may be present at the time of opening and who may also put their signatures in the Tender opening Register.
- 38) The successful Tenderer will have to execute the duplicate/triplicate/quadruplicate(Plain Paper)copies of his /their tender which will have to be obtained from office of Teesta Mechanical Sub Division-III, within 7(seven) days from the date of receipt of the intimation of acceptance of his tender failing which the Earnest Money shall forthwith stand forfeited in favour of the Government and the communication of acceptance of the tender shall automatically stand cancelled.
- 39) If any Tenderer withdraws his tender before its acceptance or refuses/ fails to convert it in to a contract within a reasonable time, without giving any satisfactory explanation for such withdrawal/refusal/failure, he shall be disqualified for submitting any tender in this

Division/Circle for a period of 1(one) year and his/their case will be referred to the Government for order as to what further action will be taken against him/them.

40) Hire charges for Tools & Plants Machinery, if issued departmentally, will be recovered from the contractor at such rate as will be fixed by the Engineer-in-charge. The period of hire charges of all Tools & plants Machinery issued from the Government go-down will be counted from the date of their issuance from the go-down and up to the date of return in to the same go-down and the hire charges will be recovered from the contractor accordingly. All Tools & plants Machinery issued to the contractor must be returned in good condition. In the case of any damages, the cost of repair to such damage or replacement will be recovered from the contractor.

41) In the following case a tender may be declared '**INFORMAL**' and unacceptable.

- a) Correction, alterations, additions, etc. if not attested by the tenderer.
- b) (i) Earnest money in form of N.S.C./ KVP etc. will not be accepted.
(ii) Earnest Money in the form of T.R. Challan, D.C.R/Demand Draft, etc. which are short deposited with interest bearing and/or not deposited in favour of the Executive Engineer, Teesta Mechanical Division in proper shape.
- c) If, the all pages of the Tender documents are not signed by the Tenderer.
- d) (i) If, the Tender is not submitted in a cover properly sealed.
(ii) If, the name of the work with N.I.T. No. & Serial No. of the work and the name of the addressee with the name of the Senders (Tenderers) are not exactly written on the envelope.

42) The Earnest Money of all the Tenderers other than the three lowest Tenderer should be refunded after the comparative statement has been prepared and checked and,

43) To verify the competency, capacity and financial stability of the intending Tenderers the Tender paper issuing authority may demand production of any necessary documents as it may deem necessary.

44) Normally Tender Paper for not more than one work in any one N.I.T. will be issued to an applicant, who may indicate the Serial No.s. of the work in the order of priority. However, depending on response to various serials in the N.I.T., Tender Paper issuing Authority may issue Tender Paper for any serial even though it may not be preferred by the applicant.

45) Applicants permitted to purchase/ issued Tender form will have to be participated in the tender failing which he/.they may be suspended to participate in the next Tender.

46) Tender may be cancelled in any stage without assigning any reason.

47) Any discrepancies if found, in the documents/statement the tender shall be cancelled in the subsequent stage with imposition of lawful action for this act of submission of documents.

48) Apart from all the above conditions and criteria the 'Past and Present' performance of the agencies will be considered while issuing tender papers.

49) The payment of R/A as well as Final Bill for the work will be made according to the availability of fund and claim due to delay in payment will not be entertained.

50) Canvassing in connection with Tender is strictly prohibited and the Tenders submitted by a Tenderer who will resort to canvassing will be liable to rejection.

51) All specifications, Terms and conditions etc. of the printed schedule of rates of Mahananda Barrage Circle, Teesta Barrage Circle, Teesta Canal Circle, P.W.D., P.W.D. (Roads), Member (P.I. &D), & Member (Execution) N.B.F.C.C., North Bengal Mechanical & Electrical Circle will be applicable, unless otherwise specified.

52) Apart from all the above, only in the interest of the Government, the committee may allow purchasing Tender Forms to such agency/ agencies who/ they will fulfilled the other criteria and his/their Past or Present performance is/are satisfactory but his/their credentials in regards to completion and Payment certificates stand less than the requirement.

53) All applicants willing to participate in the Tender must have to be appeared before a Tender document scrutiny committee for verification of original of the submitted documents. In case, the applicant or his authorized person not appeared before the tender documents scrutiny committee with the original documents in the schedule date and time, the application will be disqualified for issuing tender form.

54) Tender forms will not be issued after due date and no tender forms will be sent by post.
