**N.I.Q. NO-01 OF E.E./G.A.E.D.-II OF 2018-19**

**Memo No:- 404(9)/1Q-1**

**Dt. 07.06.2018**

Quotation in prescribed proforma are invited by the Executive Engineer , Ganga Anti Erosion Division -II, Berhampore , Murshibbad from the agencies / organization , Contractor's and General order suppliers having similar working experience in connection with the following work:

**Name of work:-** Hydrographic Survey / Cross section survey as per requirement on River Padma near Balagachi / Paschim Alaipur and Char Rajanagar in Block Bhagwangola-II & Raninagar II Under Ganga Anti Erosion Division -II .

The intending bidders having valid licenses, PTPC, & ITR, PAN, GST registration etc. should possess adequate experience in the field of detail topographical survey for enabling the requirements of Engineering Department and other related department who deal with detail information of the areas in respect of political, geographical, topographical, demarcation of boundary , water bodies, roads, railways, building, hutments, rivers, canals, drainage channels, bridges, culverts, and all other requisite information to have detail idea of the area . Any additional input , if felt necessary by the department, is to be surveyed, incorporated and shown in the survey map to be handed over by the agency to the department. No additional expenditure in this connection will be borne by the department.

Prior to furnishing the survey map, the lowest bidders should get well acquainted with his assignment in details discussions with the Engineer- in- Charge or his authorised representative to avoid submission of any incomplete survey map which is liable to be rejected. The Engineer-in-Charge reserve the right in this regard to reject any / all incomplete [ in terms of requirement of the department] survey drawing without assigning any reason thereof . The lowest bidders is liable to rectify any error/ omission detected by the department at his own cost. No claim what so ever in this regard from the bidders will be entertained. The documents to be supplied in quadruplicate both in hard and soft copies . The decision of the Engineering -in-Charge is final and binding.

**Scope of work**

HYDROGRAPHIC survey ( Method :- Acoustic Doppler current Profiler) of the River Padma, for a length of 1700 Mtrs. along the river and 300 Mtrs. across the river.

1. Cross section sheet ( at least 30 m interval or less ) showing the variation depth with length across the river both in same scale i.e. equal Vertical and Horizontal scale.
2. Contour sheet, Topographical sheet.
3. All soft copy format.

The area proposed to be surveyed should be seen and made necessary reconnaissance of by the lowest bidders with the departmental representative. Any part area / patch of area relevant to the whole survey , if not reflected inadvertently , is to be surveyed by the bidder at his own cost.

The total survey work including submission of requisite maps in quadruplicate both in hard and soft copies separately for each item mentioned in the scope of the work of N.I.Q. is to be executed within 20 (twenty) days from the date of issue of the work-order . Finalisation of drawing as stated above will rest upon the discretion of the Engineer-in-Charge , no claim what so ever in this regard will be entertained.

The quotation is to be submitted in the following format. Any incomplete / illegible quotation is liable to be rejected for evaluation of lowest bidder the total amount will be considered.

The quotation in prescribed Proforma as above will be received in this office of the Executive Engineer , Ganga anti Erosion Division -II , Berhampore, Murshidabad per the following time schedule.

1. Necessary prescribed Proforma with terms and conditions will be supplied free of cost from the office of the undersigned Up to **13.06.2018 at 4:00 P.M.**

2 Last date and time of receiving quotation **14.06.2018 at 3:00 P.M.**

3. Date and time opening quotation **14.06.2018 at 3:30 P.M.**

4. The quotation will be opened by the undersigned on the specified date and time in presence of the intending bidders who will be present at that time. The acceptance of the quotation will rest with the Superintending Engineer, North Irrigation Circle-II, Berhampore who does not bind himself to accept either the lowest of any of the quotations without assigning any reason.

After having the work order and prior to undertake the jobs , the successful bidder will have to execute formal agreement in W.B. Form N0-2911 by depositing 2.00% of the amount quoted as earnest Money through Bank Draft in favour of the " EXECUTIVE ENGINEER, GANGA ANTI EROSION DIVISION II " within 7 (seven) days from the date of issue of the work order failing which the work order may be treated as cancelled . The N.I.Q. will also be a part of the agreement.
