

**Government of West Bengal,  
Office of the Executive Engineer  
Kaliaghai Kapaleswari Baghai Project Division  
Temathani, (Sabang), Paschim Medinipur.**

**NOTICE INVITING TENDER NO.–WBIW/EE/KKBPD/NIT-02/2019-20**

1. Sealed and Separate tenders in specified tender forms are invited by the Executive Engineer, Kaliaghai Kapaleswari Baghai Project Division, I & W. Dte., Temathani, (Sabang), Paschim Medinipur for the works mentioned in the annexed list, from the eligible Contractors of as mentioned in the said Annexure. The Contract Documents can be seen / collected at the office of the Executive Engineer, Kaliaghai Kapaleswari Baghai Project Division, I. & W. Dte. Temathani (Sabang), Paschim Medinipur between the hours of 11-00 A.M. to 4-00 P.M. on all working days as well as can be downloaded from **<http://wbiwd.gov.in/index.php/applications/tenders>**

2. **Eligibility of Contractors:**

The contractors will have to submit documentary evidences of technical credentials as to their eligibility to participate in the tender.

The intending contractors should have completed within stipulated time at least 1 (one) similar type/nature of work with minimum credential of 30% (Thirty percent) of the amount put to tender in a single tender executed during any one of the proceeding 5 (five) years.

Payment certificate / completion certificate issued by the competent authority not below the rank of Executive Engineer will normally be accepted as valid credential.

Any contractor/bidder may bid for a maximum of 50% of the total number of works (Serial of works if a number of works have been tendered in the same NIT) rounded up to next higher integer, published in any particular NIT, subject to a maximum of three, depending on his/her work credential and financial capabilities.

Normally, Completion Certificate (CC) of 100% completed different works are to be provided by a bidder as work credential for participation in separate works in a particular NIT. However, CC for one particular work may be considered eligible for participation in maximum two numbers of serials of work in the same NIT, provided requisite work credential for two works being bid by the same bidder is to be arithmetically added and satisfies the requirement in all respect from one such CC submitted in both the serials

3. **Application for issue of Tender Form:**

A. Applications for issuing of tender forms are to be made to the Executive Engineer, Kaliaghai Kapaleswari Baghai Project Division, I & W Dte., Temathani (Sabang), Paschim Medinipur. **Application is to be made in the Applicant's letter-head in prescribed proforma attached herewith**, failing which application will be treated as incomplete and void.

B. Each application for Issue of tender form is to be accompanied by attested Xerox copies of the following: -

- i) PAN Card, Income Tax and Professional Tax clearance certificate from appropriate authority valid beyond the date of opening of Tender.
  - ii) Technical Credential
  - iii) Partnership Deed in case of Partnership Firm
  - iv) Registration papers, current audit report, (at least up to the 2<sup>nd</sup> last years proceeding the current one), copy of Bye-laws, No Objection Certificate of A.R.C.S. in case of Registered Engineers Co-operatives.
  - v) Statement showing similar nature of works successfully completed during last five years.
  - vi) Valid 15-digit Goods and Services Taxpayer identification Number (GSTIN) under GST Act, 2017
- C. Original documents, if desired, will have to be produced for verification.

D. **Following cases will also be taken in to consideration in time of acceptance of application for issuance of tender paper**

- i) Tender Paper dropped without draft of EMD for instant case or one or more previous occasions by the same applicant contractor.
- ii) Work Order issued against any previous work in the name of applicant Contractor, but not started by the contractor in time or not complete the same within justified extended time allotted by the competent authority or any previous work of applicant Contractor terminated as per Memorandum of Clause of Contract.

4. **Effective Management of Work Site**

Being contractor he must attend site at the execution spot for holding progress and other problem on few occasion, whenever demanded by the Engineer-in-charge. If any agency depends solely on authorized agent and completely avoid personal appearance, his performance will not be considered eligible for accepting the application for issuance of tender Paper next time.

5. **Acceptance of Application for Tender Forms:**

All the applications for issue of Tender Forms received by the Executive Engineer, Kaliaghai Kapaleswari Baghai Project Division, I & W Dte., Temathani (Sabang), Paschim Medinipur will be considered subject to the fulfillment of criteria as per clause 2, 3 & 4 above. The decision of the Executive Engineer, Kaliaghai Kapaleswari Baghai Project Division, I & W Dte., Temathani (Sabang), Paschim Medinipur will stand final. **Financial Evaluation will be done only for those applicants whose application for issue of tender form will be accepted by the Executive Engineer, Kaliaghai Kapaleswari Baghai Project Division**

6. **Dropping of Tenders:**

Tenders in sealed covers as mentioned herein below are to be dropped in the office of the Executive Engineer, Kaliaghai Kapaleswari Baghai Project Division, I & W Dte., Temathani (Sabang), Paschim Medinipur on the date specified in the Annexure.

**Tender documents for each work will be prepared in sealed covers as follows. All the documents as mentioned in Para 3 A & 3 B above, Earnest Money Draft and one sealed cover labeled "Tender Documents of Sl. No. of NIT No." will be placed in a sealed outer cover and labeled distinctly & correctly. The inner cover labeled "Tender Documents of Sl. No. of NIT No." should contain NIT documents, 2911ii, the schedule of work, corrigendum, if any containing signature of the applicant in each page as a token of acceptance along with quoted rate at specified place.**

7. **Opening of Tenders:**

The tenders will be opened as the manner stated herein below at the scheduled time as mentioned in Annexure, by the Executive Engineer, -Kapaleswari-Baghahi Project Division, I & W Dte., Temathani (Sabang), Paschim Medinipur in his office, in the presence of the tenderers or their duly authorized representatives. No subsequent objections whatsoever, raised by any participant, not present during the opening of tenders will be entertained.

**Outer sealed cover will be opened first for evaluation of eligibility. If and only if the application for issuance of tender paper is accepted by the Executive Engineer, K.K.B. Project Division then only inner sealed cover labeled "Tender Documents of Sl. No. of NIT No." will be opened and evaluated otherwise it will not be opened at all and EMD will be released.**

9. **Earnest Money:**

Each Tenderer will have to deposit earnest money (EMD) of the amount specified in the annexure list of works in the following forms: -

- i) Earnest money deposited in S.B.I or any Nationalized Bank in the shape of Bank Draft / D.C.R. in favour of the **Executive Engineer, K.K.B. Project Division, I.&W.D. payable at Kharagpur** will be valid for the purpose. **The original document must be affixed with the Application.**
- ii) **No cheque or cash money will be accepted as Earnest Money.**
- iv) Earnest Money in the shape of N.S.C, K.V.P, and N.S.S. will not be accepted.
- v) Adjustment of Earnest money with previous deposit if any can not be entertained in any case.
- vi) Contractors should have to deposit 2.00% (Two point zero percent) of amount put to tender as stated in the list of works during dropping of tender forms and additional security shall be deducted from the progressive bills at 8% or such amount from each such bill, so that the total deduction together with the 2% EMD constitutes 10% of the tendered value of work as actually done.

**vii) Security Money:**

In respect of successful tenders, the deposited earnest money 2.00% (Two point zero percent) of the amount put to tender will be converted as a part of Security Deposit and an additional security @ 8% (eight percent) of the work value as per accepted rate will be deducted from the progressive bills. All Contractors will be treated as outsider Contractor and deduction of security deposit will be followed as above.

10. Quoting bid below 20% of the estimated amount put to tender (Tender value) is not desirable, as it leads to a doubt regarding the intension of the bidder to deliver good quality work on due time. Additional Performance Security as Bank Guarantee shall be obtained in specimen Form-6 (attached herewith) from any RBI approved Indian Bank located in West Bengal only, if the lowest bid is below 20% of the amount put to tender in addition to EMD and Security Deposit. (I&WD No. 09-W/2017-18 dated 20.07.2017 may be referred in the order link of [wbiwd.gov.in](http://wbiwd.gov.in)) Authenticity of BG would be verified from the issuing bank during evaluation stage of tender by Tender Evaluation Committee (TEC)
10. The Tenderer should quote his rates both in figures as well as in words in terms of over all percentage ABOVE / BELOW / AT PAR the schedule of rates shown in the schedule of items of works.
11. The Tenderer should sign in each page of the tender documents and should write his name and full address in the blank space of last page of the tender forms.
12. The tender with overwriting, illegible writing, erasing and incomplete or conditional one are liable to rejection.
13. In the event of tender being submitted by a Partnership Firm it must be signed by each of the partners of the firm or a Power of Attorney holder, as stipulated in the Indian Partnership Act.
14. All the tenders in which any one of the prescribed conditions is not fulfilled will be rejected.
15. All the working tools and plants are to be arranged and supplied by the contractor entrusted with the work.
16. Acceptance of the tender will rest with the Executive Engineer, K. K. B. Project Division, I & W Dte., Temathani, Sabang, Paschim Medinipur, who does not bind himself to accept the lowest tender and reserves the right to reject any or all the tenders received without assigning any reason.
17. **In case of any nonscheduled Holiday/ Bundh/Strike in the aforesaid dates the next working will be treated as the scheduled date for that purpose.**
18. **Payment against bills raised by the contractor**  
Periodic Tax invoice/bills containing bidders GSTIN & other details needs to be submitted by the

supplier/contractor/Agency/bidder to the DDO for raising claims for receiving payments of work executed under this contract /upon achieving physical Milestones the Tax charged in accordance with the provisions of the GST Act, 2017.

The payment of Running Account as well as final bill for any work based on progress and performance will be made according to availability of fund and no claim due to delay in payment will be entertained.

19. No cost escalation in any form is included in the Tender Contract Agreement

20. **Taxes & duties to be borne by the Contractor/bidder**

In view of introduction of GST with effect from 01.7.2017, all the bidders intending to participate in this e-tender should offer their financial bids inclusive of GST applicable for entire composite works/Procurement of goods & services, labour intensive component contained in the BOQ. Income Tax, Royalty, GST (CGST, SGST, IGST), Construction Workers' Welfare Cess, Labour Insurances and similar other statutory levy / cess will have to be borne by the contractor/bidder and his/her quoted rate should be quoted accordingly after considering all these charges, and no separate payment towards any of the statutory taxes shall be made by the implementing authority.

21. **Site inspection prior to submission of tender**

Before submitting a e-tender, the intending contractor/bidder should make themselves acquainted thoroughly with the local conditions prevailing at site of implementation of the work by undertaking field inspections and taking into consideration all probable factors and difficulties to be involved during execution of the work as per specification in all respects including transportation of materials, communication facilities, climate conditions, nature of soil, availability of local labourers and market rates prevailing in the locality etc. and no claim whatsoever will be entertained on those accounts afterwards. The contractor/bidder may also contact the office of the designated Assistant Engineer/Executive Engineer, K.K.B. Project Division in between 11.30 hours to 16.30 hours on any working day, prior to the date of last date for submission of bid in the e-tender.

22. **Geo-technical Investigation at Departmental Quality Control Laboratory**

**For Geo-technical investigation work, if specified in the name of the work as "Testing at Dept. Laboratory", Agency has to dispatch the samples collected at site to the Departmental Quality Control Laboratory for testing. After obtaining results from the Laboratory through the undersigned the Agency has to prepare and submit the necessary Report.**

Executive Engineer,  
Kaliaghai Kapaleswari Baghai Project Division,  
Temathani, (Sabang), Paschim Medinipur

**ADDITIONAL TERMS & CONDITION**  
**(TO FORM A PART OF THE TENDER DOCUMENT)**  
**Additional Terms & Conditions**

1. The Executive Engineer of the concerned Division shall be the Engineer-in-Charge in respect of the works contract and all correspondence concerning rates, claims, change in specifications and/or design and similar important matters will be valid only if accepted/recommended by the Engineer-in-Charge. If any correspondence of above tender is made with Officers other than the Engineer-in-charge for speedy execution of works, the same will not be valid unless copies are sent to the Engineer-in-Charge and also approved by him/her. Instructions given by the Sub-Divisional Officer/Assistant Engineer and the Junior Engineer/Section Officer (SO) on behalf of the Engineer-in-Charge shall also be valid (who have been authorized to carry out the work on behalf of the Engineer-in-Charge) regarding specification, supervision, approval of materials and workmanship. In case of dispute relating to specifications and work, the decision of Engineer-in-Charge shall be final and binding. The Engineer-in-Charge will however take all decisions relating to works contract only after recommendation/ advice of the Tender Accepting Authority. If there is more than the Executive Engineer assigned for the tender, the Chief Engineer would designate the Engineer-in-Charge for the work.
2. Acceptance of the tender including the right to distribute the work between two or amongst more than two bidders with same L1 rates will rest with the Tender Accepting Authority without assigning reason thereof to any of the bidders. The tender accepting authority reserves the right to reject any or all tenders without assigning sufficient justification thereof to the bidder/contractor. No additional or excess work or additional items of work beyond the tendered amount would be generally allowed. All excess, supplementary or substitute supplementary items of work, if unavoidable are to be accepted by the Tender Accepting Authority only if the total value of work on completion is within the tendered amount. The exiting contract would be terminated after achieving work up to tendered cost (gross value) and balance work would be taken up afresh after fresh sanction and new tender, except in the interest of public services, in rare & special cases under specific approval of the Government.
3. The Contractor/bidder shall have to comply with the provisions of (a) Contract Labour (Regulation & Abolition) Rules, 1970 including its revisions (b) Minimum Wages Act 1948 and the modification thereof or any other laws relating thereto as will be in force from time to time.
4. Engineer-in-Charge shall not entertain any claim whatsoever from the contractor for payment of compensation on account of idle labour on such grounds including non-possession of encumbrance free land. Escalation of cost due to inflationary effects or any other reason is not permitted during construction period or extended time period of contract.
5. Engineer-in-Charge shall not be held liable for any compensation due to machines & equipments becoming idle or any circumstances including untimely rains, other natural calamities, strikes etc.
6. All statutory taxes, viz. GST / labour welfare Cess, labour insurance etc or revision of taxation rates even after AOC or commencement and before final completion of the work are to be borne by the contractor/bidder. Original tax invoice/challan or bill of those materials, which are procured by the bidder, may be asked to be submitted for verification if required.
7. Labour Welfare CESS @ 1% of the cost of construction works shall be deducted from the Gross value of all works bills. Also it is instructed to compulsorily register his/her establishment under the Act, under the competent registering authority, i.e. Assistant Labour Commissioner / Dy. Labour Commissioner of the region for disbursing PF and ESI benefits of workers. The bidder should be mandatorily be registered online with Employees Provident Fund Organisation (EPFO) in the on-line system and posses EPF code and all current documents. Penalties and complaints due to non compliance of on-line EPF registration and default is the full responsibility of the bidder even if the TIA is by default the Principal employer
8. No mobilization / secured advance will be allowed unless specified otherwise in the contract or the e-Notice Inviting Tender.

9. GST, Cess, License fees, Royalty for construction materials, forest product etc, Toll Tax, Income Tax, Ferry Charges and other Statutory Government Taxes as applicable during project implementation are to be paid by the contractor/bidder. The rates of supply and finished work items are inclusive of these taxes and levy. Tax invoice/bills needs to be submitted by the supplier/bidder for raising claims under the contract after attaining of physical milestones showing separately the tax charged in accordance with the provisions of GST Act, 2017.
10. All working tools & plants, scaffolding, construction of vats & platforms and arrangement of Labour Camps will have to be arranged by the contractor at his/her own cost. The contractor shall clear the site of work and restore all damages made due to the Labour camp, erection of yards and godowns, stores etc within 30 days of completion of work.
11. The contractor shall supply mazdoors, bamboos, ropes, pegs, flags T&P, Machineries and equipments etc. for laying out the work and for taking and checking measurements for which no extra payment will be made.
12. The contractor/bidder should see the site of works and tender documents, drawings etc. before submitting tender and satisfy himself/herself regarding the condition and nature of works and ascertain difficulties that might be encountered in executing the work, carrying materials to the site of work, availability of drinking water and other human requirements & security etc. Work on river banks may be interrupted due to a number of unforeseen reasons e.g. sudden rise in water levels, inundation during flood, inaccessibility of working site for carriage of materials. Engineer-in Charge may order the contractor to suspend work that may be subjected to damage by climate conditions. No claim will be entertained on this account. There may be variation in alignment, height of embankment or depth of cutting, location of revetment, structures etc. due to change of topography, river condition and local requirements etc. between the preparation and execution of the scheme for which the tendered rate and contract will not stand invalid. The contractor will not be entitled to any claim or extra rate on any of these accounts.
13. A machine page numbered Site Order book (with triplicate copy) will have to be maintained at site by the contractor and the same has got to be issued from the Engineer-in-Charge before commencement of work. Instructions given by inspecting officers not below the rank of Assistant Engineer will be recorded in this book and the contractor must note down the action to be taken by him in this connection as quickly as possible.
14. The contractor shall be bound to comply with all the Central & State Pollution Control Acts & Rules during entire construction period.
15. All possible precautions should be taken for the safety of the people and work force deployed at worksite as per safety rule in force. Contractor will remain responsible for his labour in respect of his liabilities under the Workmen's Compensation Act etc. He must deal with such cases as promptly as possible. Proper road signs as per P.W.D. practice will have to be erected by the contractor at his own cost while operating public thoroughfares. Also, display boards containing brief description and name of project with completion target dates shall be erected at a prominent location at the work site by the contractor for public awareness.
16. The contractor will have to maintain qualified technical employees and/or Apprentices at site as per prevailing Apprentice Act or as stipulated in the contract. No compensation for establishment charge will be entertained.
17. The contractor will have to accept the work programme as per modifications and priority of work fixed by the Engineer-in-Charge so that most vulnerable reach and/or vulnerable stretch is completed before impending monsoon or rise in river flood water level or commencement of canal irrigation water release or for other suitable reasons.
18. Quantities of different items of work mentioned in the departmental tender schedule/BOQ or in work order are only tentative. In actual work, these may vary considerably. Payment will be made on the basis

of works actually completed in different items as per specifications and codes, and no additional claim will be entertained for reduction of quantities in some items or for omission of some items. For execution of any additional item or supplementary works within the tendered value with the total completion value remaining within the accepted tendered cost, approval of the Tender Accepting Authority/Government in the Irrigation & Waterways Department would be required.

19. In order to cope with the present system of e-pradan billing, departmental supply of construction materials is discouraged. However, Departmental materials may be issued to the contractor/ bidder to the extent of requirements as assessed and following accounts procedure in the Treasury system of bill payment and in installments as decided by the Engineer-in-Charge. Issue of materials may be of three categories.
- a) Materials issued directly to the work and subject to recovery.
  - b) Materials issued from departmental go down and subject to recovery.
  - c) Materials issued free of cost.

Decision of the Engineer-in-Charge should be final and binding in this regard. He also stands solely responsible for reconciliation of accounts, if materials are issued to the contractor.

20. Any materials brought to site by the contractor subject to approval of the Engineer-in-Charge. The rejected materials must be removed by the contractor from the site at his own cost within 48 hours of issue of the order to that effect. The rates in the schedule are inclusive of cost and carriage of all materials to worksite. The materials will have to be supplied in phase with due intimation to the Sub-Divisional Officer/Assistant Engineer concerned in conformity with the progress of the work. For special type of materials, i.e. Geo Synthetic Bags, HDPE Bags, Geo Textile Filter, Geo jute Filter etc. if any, relevant Data Sheet containing the name of the Manufacturers, Test Report etc. will also be submitted in each occasion. Engineer-in-Charge may conduct independent test on the samples drawn randomly before according approval for using the materials at site. In this regard decision of Engineer-in-Charge shall be final and binding.
21. For materials under category 19(a),(b)&(c), the contractor will act as the custodian thereof. The materials will have to be carried from the nearest Departmental go-down to worksite by the contractor at his own cost. The contractor shall remain responsible for the proper storage and safety of the materials. Suitable Go-down/ Store shall have to be made by the contractor at his/her own cost. Penalty charges shall be levied at higher rate for loss, wastage, misuse. Surplus materials of the departmental if any, shall have to be returned to the issuing Go-down or store at the contractor's cost within the time frame as fixed by Engineer-in-Charge, otherwise, the cost at penal rate will be recovered from the bill. Indent for departmental materials shall be submitted by the contractor to the AE/S.D.O. at least 7 days in advance of actual requirement. No claim will be entertained for non-issuance of such materials in time but reasonable extension of time will be granted. All materials, whatever be the category thereof, shall be properly stored by the contractor in suitable go downs near the site of work at his own cost & under no circumstances whatsoever shall any material be removed from the site of work without prior written permission of the Engineer-in-Charge. The contractor shall be responsible for any damage, wastage or loss of such materials.
22. The contractor shall also have to satisfy the Engineer-in-Charge regarding the proper utilization of materials which have been issued departmentally.
23. Value of the material, under category (a) & (b) of clause 19, will be recovered from the bills of the contractor in one or successive installments as may be decided by the Engineer-in-Charge.
24. Requisite quantity of cement as may be required for the work will be supplied from the nearest Departmental go down if stock permits. The issue rate of cement is shown in the Schedule of materials attached. Any excess consumption of cement by more than 5% over the final consumption statement drawn up as per consumption rate specified in the Schedule will be recovered at a penal rate shown in schedule.

25. Reinforcement steel rods/MS sheet piles/bitumen will be issued when stock permits, from the nearest departmental go-down where such material is available in marketable length/quantities. While issuing the same, for any particular work the quantity actually required as per approved drawing shall only be issued. While executing the work, it will be responsibility of the Contractor/bidder as well as the Engineer-in-Charge to get this quantity properly utilized in the work. Cut pieces, if any will not be taken back by the Department. Recovery for the total quantum of steel issued will be made at the issue rate shown in the Schedule below. In case of misuse over +10%, deduction will be made at a penal rate shown in the Schedule below. This whole principle shall apply in case of other M.S materials like sheet piles and structural steel members as well.

**26. SCHEDULE OF MATERIALS TO BE SUPPLIED DEPARTMENTALLY AND THEIR RECOVERY RATES**

Sl. No	Name of materials	Issue rate (in `)	Unit	Penalty recovery rate for loss or misuse or wastage (if otherwise not mentioned specifically in the SoR)	Place of delivery
01	Cement		MT	2 (Two) times issue rate	Departmental Godown
02	Reinforcement steel rods, structural steel members, M.S sheet Piles		MT	2 (Two) times issue rate	-do-
03	Bitumen		MT	2(Two) times issue rate	-do-
