NOTICE INVITING TENDER No. 03/A.I.D./ 2019-20

Separate sealed bids in tender form W. B. Form No.2911(ii) are hereby invited by the **Executive Engineer, Asansol Irrigation Division** on behalf of the Governor of West Bengal for the works as per list attached from the eligible bonafide contractors/agencies/bidders having credential for execution of similar nature of work having value of 50% of the amount put to tender within last 5 years.

1. Separate tender should be submitted for each work, as per attached list, in sealed cover superscribing the name of the work on the envelope and addressed to the Executive Engineer, Asansol Irrigation division.
2. Submission of tender by post is not allowed.
3. The tender documents and other relevant particulars (if any) may be seen by the intending contractors/ bidders or by their duly authorized representatives during office hours between 11.00 AM and 4.00 PM on every working day, till **28/11/2019** in the office of the Executive Engineer, Asansol Irrigation Division. They may also visit the official websites of the Irrigation & waterways department of West Bengal www.wbiwd.gov.in for detail information.
4. The contractors/ bidders must have trade license, otherwise his application will be rejected. They must enclose copy of trade license with application. The intending contractors/ bidders should apply for tender papers in their The intending respective 'Letter Heads' enclosing self attested copies of the following documents, originals of which and other documents like Registered Partnership (for partnership firms) etc. are to be produced on demand, as well as during interview (if any).
 - i. Professional Tax Challan, latest authenticated Income Tax Return for current financial year or immediate preceding financial year, PAN Card, Goods and Service Tax (GST) Registration Certificate, Proprietorship Firms (Trade License), Partnership Firms (Partnership Deed, Trade Licence, Form-VIII or Memorandum of Registration), Limited Companies (Incorporation Certificate, Trade Licence, Memorandum of Articles), Registered Co-Operative Societies (Society Registration Certificate from ARCS of the state, latest available Auditor's Report of Directorate of Co- operative Audit within proceeding five years as per Societies Act & Rules., Trade License and By-Laws, Documents showing latest office bearers) valid up to the date of opening of the tenders. Application for such clearance addressed to the competent authority, subject to production of authenticated receipt, may also be considered.
 - ii. Completion certificate / Payment certificate(s) for one single similar work worth at least 50% of the value of work for which tender paper is desired, executed within last 5 (five) years (to be determined from the actual year of completion, considering current financial year as Year-1).

- iii. A statement showing number and value of works presently under execution by the contractors/ bidders under Irrigation & Waterways Department and other Government Department / Organizations as stated in paragraph 3 (b) hereunder.
 - iv. Declaration by the applicant to the effect that there is no other application for tender paper for work in this NIT in which he/she/they has/have common interest. Failure to produce any of the above documents may be considered good and sufficient reason for non issuance of tender paper.
 - v. Completion certificates (CC) of works executed in the Irrigation & Waterways Directorate will be considered. CC of works executed in other Departments of the State Government/ organizations viz. Public Works & Public Works (Roads) Department, Public Health Engineering Department, Sundarban Affair Department and other State Government Departments, Zilla Parishads & Panchayat Samities only within the jurisdiction of the State of West Bengal, WBHIDCO, WBSEDCL, WBSETCL, KMDA, KMW&SA, KMC, Other Municipal Authorities and Bodies, HRBC, Engineering Departments of Union Government and Organizations like Farakka Barrage Project (FBP) Authority, Indian Railways, KoPT and companies owned or managed by the Government of West Bengal, i.e. Mackintosh Burn Ltd., Westinghouse Saxby Farme Limited & Britannia Engineering Ltd. may also be considered. Such CC are to be issued by an officer/authority not below the rank of Executive Engineer / Divisional Engineer / District Engineer/Project Manager of the State/Union Government Departments/ Organisations; authorised signatories of CC for Panchayat Samities and Municipalities shall be BDO & Ex-officio Executive Officer and Secretary or equivalent administrative officers respectively. It is desirable to have contact telephone and FAX or e-mail address of the signatory of the CC for all offices outside West Bengal.
 - vi. Such completion Certificate is required to be further countersigned by the immediate superior authority of the issuing authority for all cases other than direct Union Government Departments /Ministries outside the State of West Bengal. Also such certificates when issued in all other States other than those directly of State / Union Government

Departments/Ministries and Indian Railways should contain a declaration that the work has been executed to the satisfaction of the concerned Government Organisation and has been declared 100% complete in all respect by the competent authority in the concerned Organisation.
 - vii. Any suppression / misrepresentation of fact will automatically debar the applicant from participating in any tender under the Division / Circle for at least 3 (three) years from the date of detection, in addition to such other penal action as the Government may deem proper.
5. The Intending contractors/ bidders who do not satisfy with the decision of the tender paper issuing authority may prefer an appeal to the next superior officer. The concerned Chief Engineer will be the appellate authority for high value tenders. Necessary communication regarding his appeal to the appellate authority must be brought to the notice of such authority within two working days after the date of issue of tender paper and copy of such communication should be submitted to the tender paper issuing authority within the same period, failing which no such appeal will be entertained.
 6. (a) Tender paper will be issued free of cost from the office of the Executive Engineer , Asansol Irrigation Division as per specified date and time as mentioned in the notice to intending tenderers who are eligible.
(b) No tender paper will be supplied by post.
(c) No tender paper will be issued after expiry of date and time as mentioned in the notice.

7. Before submitting any tender, the intending contractors/ bidders should make themselves acquainted thoroughly with the local conditions prevailing, by actual inspection of the site and take into considerations all factors and difficulties likely to be involved in the execution of work in all respects including transportations of materials, communication facilities, climate conditions, nature of soil, availability of local laborers and market rate prevailing in the locality etc. As no claim whatsoever will be entertained on these accounts afterwards. In this connection the intending tenderers may contact the office of the undersigned up to 28/11/2019 between 11.30 hours and 16.00 hours on any working day.
8. Earnest Money Deposit(EMD): Earnest money@ 2% of amount put to tender as noted in the list of works, must be submitted in the form of Bank Draft (BD) / Bankers Cheque (BC) / Deposit Call Receipt (DCR) of any scheduled Commercial Bank in India approved by RBI & having a branch in West Bengal which is to be drawn in favour of **“Executive Engineer, Asansol Irrigation Division”** payable at Asansol. Payment in any other forms viz. NSC, KVP, cheques etc. will not be accepted.
Labour Co-operative Societies and State Government Enterprises viz. Mackintosh Burn Limited, Westinghouse Saxby Farmer Limited and Britannia Engineering Limited are fully exempted from payment of EMD against tenders of the State Government. Finance Department G.O for waiver of EMD . These Societies/Enterprises, if selected through open tenders will however have to furnish requisite Security Deposits (SD) for performance of the work. If the selected Societies/Enterprises failure to deposit (SD) within the specified time period, legal action will be charged against the said Societies/Enterprises as per Rule. (if applicable)
9. The contractors/ bidders should quote the rate both in figures and in words on the basis of percentage Above/ Below or At Par the Schedule of Rates attached with the Tender Form and also in the space provided in the Tender Form.
10. Any tender containing over writing is liable to be rejected.
11. All corrections are to be self attested under the dated signature of the contractors/ bidders.
12. When a contractor/ bidder signs his Tender in an Indian Language, the total amount tendered should also be written in the language. In the case of illiterate tender, the rates tendered should be attested by a witness.
13. The contractors/ bidders who will sign on behalf of a Company or Firm must produce the registered documents (within 3 days from the date of opening the tender) in support of his competency to enter into an Agreement on behalf of the Company or the Firm under the Indian Partnership Act, failing which the Tender will not be considered and the deposited Earnest Money will be forfeited.
14. Any letter or other instrument submitted separately in modification of the sealed tender may not be entertained.
15. Conditional Tender, which does not fulfill any of the above conditions, and is incomplete in any respect, is liable to summary rejection.
16. Quoting bid price in financial bid stage below 20% of the estimated amount put to tender (Tender value) is not desirable, as it leads to a doubt regarding the intension of the bidder to deliver good quality work on due time. “Additional Performance Security” has been made mandatory which shall be obtained only from the successful L1 bidder, if the accepted bid price is below 20% of tender BOQ or below by more than 20% of the tender BOQ. This Additional Performance Security shall be equal to 10% of the **tendered amount** i.e. 10% of the L1 bid price.

The Additional Performance Security shall have to be submitted by the selected L1 bidder after issuance of Letter of Acceptance / Letter of Invitation (LoA/Lol) within next seven working days and before issuance of Award of Contract (AoC) in the form of "Bank Guarantee" of any Scheduled Bank approved by RBI, payable at Kolkata or / in West Bengal, as per specimen format Form-6. Else, its/their Earnest Money Deposit (EMD) will be forfeited without any prejudice by the Tender inviting authority and the defaulting bidder also debarred from further participation in all future I&WD tenders for a period of one year for committing the offence on the first occasion and for a period of two years for recurrence of the same offence.

The said Bank Guarantee (BG) shall have to be valid up till the end of the contract/Agreement period including extended time period till 100% physical completion of work in all respects and shall be renewed within validity period accordingly if required. The said Bank Guarantee shall remain in custody of the DDO & Executive Engineer in-charge of the work, which shall be returned to the bidder/contractor after successful physical completion of the work as per contract. If the bidder fails to complete the work successfully, this Additional Performance Security shall be forfeited at any time during the pendency of the contract period after serving suitable notice to the contractor/bidder agency. Necessary provisions regarding deduction of security deposit from progressive bills of the contractor in respect of the tendered work shall be governed as per relevant clauses of the tender contract/Agreement which will in no way be affected / altered due to this Additional Performance Security.

17. The contractor/ bidder will have to, if so desired by the Tender Accepting Authority, submit his analysis to justify the rate quoted by him.
18. The Tenders will be opened, as specified in the list of works, in presence of the participating contractors/ bidders or their duly authorized representatives, who may be present at the time of opening and who may also put their signatures in the Tender Opening Register.
19. The accepting authority reserves the right to reject any or all of the tenders received without assigning any reason and he will not be bound to accept either the lowest tender or any of the tenders.
20. The successful contractor/ bidder will have to execute an formal agreement by collecting tender form W. B. Form No. 2911(ii) with tender documents free of cost from the office of the Executive Engineer, Asansol Irrigation Division Division within 7 (Seven) days from the date of receipt of the intimation of acceptance of his tender failing which the Earnest Money shall stand forfeited.
21. If any contractor/ bidder withdraws his tender before its acceptance or refuses/ fails to convert it into a contract within a reasonable time, without giving any satisfactory explanation for such withdrawal/ refusal / failure, he shall be disqualified for submitting any Tender in this Division / Circle for a minimum period of one year and his case will be referred to the Government for order as to what further action will be taken against him.
22. Materials such as Cement, M.S. Rod. R.C.C. Hume Pipes, Sheet Piles, etc. if available in stock, will be issued by the Department to the Contractor for the work as per issue Rate fixed by the Engineer-in-Charge. Site of issue of materials as mentioned in the list of materials to be supplied Departmentally to the Contractor is furnished with the tender documents for the work. Any other materials not listed, if supplied by the Department, the issue Rate for such material will be fixed by the Engineer-in-Charge.

23. In the following cases a tender may be declared informal and unacceptable.
 - a. Correction, alterations, addition etc .if not self attested by the tenderers.
 - b. i. Earnest Money in the form of T.R Challan, D.C.R./ Demand Draft, etc. which is not deposited and / or deposited having value less than the requisite amount.
 - c. If the Tender Form is not properly filled in respect of the general description of the work, Estimated Cost, Rate of the deduction of Security Deposit etc. in page-2 and other pages as are required to be filled in.
24. To verify the competency, capacity and financial stability of the intending tenderer(s) the Tender Paper issuing Authority may demand production of any necessary document(s) as it may deem necessary.
25. The payment of R/A as well as Final Bill for any work will be made according to the availability of fund and no claim to delay in payment will be entertained.
26. As per G.O.No. 1627(8)/IA dated 26th November 2001 of Irrigation & Waterways Department , Government of West Bengal , Clause 25 of Tender Form No. 2911 stands deleted in respect of contract of value less than Rs. 100.00 lakh.
27. Normally, tender paper for not more than one work in any one NIT will be issued to an applicant, who may indicate the Sl. Nos. of the work in the order of priority. However, depending on response to various serials in the N.I.T., Tender Paper Issuing Authority may issue Tender Paper for any serial even though it may not be preferred by the applicant.
28. Sealed Tender should be dropped in the Tender Box at the office of the **Executive Engineer, Asansol Irrigation Division.**

Terms & Conditions of the contract

1. The Executive Engineer of the concerned Division shall be the Engineer-in-Charge in respect of the works contract and all correspondence concerning rates, claims, change in specifications and/or design and similar important matters will be valid only if accepted/recommended by the Engineer-in-Charge. If any correspondence of above tender is made with Officers other than the Engineer-in-charge for speedy execution of works, the same will not be valid unless copies are sent to the Engineer-in-Charge and also approved by him/her. Instructions given by the Sub-Divisional Officer/Assistant Engineer and the Junior Engineer/Section Officer (SO) on behalf of the Engineer-in-Charge shall also be valid (who have been authorized to carry out the work on behalf of the Engineer-in-Charge) regarding specification, supervision, approval of materials and workmanship. In case of dispute relating to specifications and work, the decision of Engineer-in-Charge shall be final and binding.
2. Acceptance of the tender including the right to distribute the work between two or amongst more than two bidders with same L1 rates will rest with the Tender Accepting Authority without assigning reason thereof to any of the bidders. The tender accepting authority reserves the right to reject any or all tenders without assigning sufficient justification thereof to the bidder/contractor. No additional or excess work or additional items of work beyond the tendered amount would be generally allowed. All excess, supplementary or substitute supplementary items of work, if unavoidable are to be accepted by the Tender Accepting Authority only if the total value of work on completion is within the tendered amount. The exiting contract would be terminated after achieving work up to tendered cost (gross value) and balance work would be taken up afresh after fresh sanction and new tender, except in the interest of public services, in rare & special cases under specific approval of the Government.

3. The Contractor/bidder shall have to comply with the provisions of (a) Contract Labour (Regulation & Abolition) Rules, 1970 including its revisions (b) Minimum Wages Act 1948 and the modification thereof or any other laws relating thereto as will be in force from time to time.
4. Engineer-in-Charge shall not entertain any claim whatsoever from the contractor for payment of compensation on account of idle labour on such grounds including non-possession of encumbrance free land. Escalation of cost due to inflationary effects or any other reason is not permitted during construction period or extended time period of contract.
5. Engineer-in-Charge shall not be held liable for any compensation due to machines & equipments becoming idle or any circumstances including untimely rains, other natural calamities, strikes etc.
6. All statutory taxes, viz. GST / labour welfare cess, labour insurance etc or revision of taxation rates even after AOC or commencement and before final completion of the work are to be borne by the contractor/bidder. Original tax invoice/challan or bill of those materials, which are procured by the bidder, may be asked to be submitted for verification if required.
7. Labour Welfare Cess @ 1% of the cost of construction works shall be deducted from the Gross value of all works bills. Also it is instructed to compulsorily register his/her establishment under the Act, under the competent registering authority, i.e. Assistant Labour Commissioner / Dy. Labour Commissioner of the region for disbursing PF and ESI benefits of workers. The bidder should be mandatorily be registered online with Employees Provident Fund Organisation (EPFO) in the on-line system and posses EPF code and all current documents. Penalties and complaints due to non compliance of on-line EPF registration and default is the full responsibility of the bidder even if the TIA is by default the Principal employer
8. Adjustment of original bid prices/escalation cost/ mobilization advance / secured advance shall not be permitted for any reason whatsoever due to cost and time over run unless specified otherwise in the contract or the e-Notice Inviting Tender.
9. GST, Cess, License fees, Royalty for construction materials, forest product etc, Toll Tax, Income Tax, Ferry Charges and other Statutory Government Taxes as applicable during project implementation are to be paid by the contractor/bidder. The rates of supply and finished work items are inclusive of these taxes and levy. Tax invoice/bills needs to be submitted by the supplier/bidder for raising claims under the contract after attaining of physical milestones showing separately the tax charged in accordance with the provisions of GST Act, 2017.
10. All working tools & plants, scaffolding, construction of vats & platforms and arrangement of Labour Camps will have to be arranged by the contractor at his/her own cost. The contractor shall clear the site of work and restore all damages made due to the Labour camp, erection of yards and godowns, stores etc within 30 days of completion of work.
11. The contractor shall supply mazdoors, bamboos, ropes, pegs, flags T&P, Machineries and equipments etc. for laying out the work and for taking and checking measurements for which no extra payment will be made.
12. The contractor/bidder should see the site of works and tender documents, drawings etc. before submitting tender and satisfy himself/herself regarding the condition and nature of works and ascertain difficulties that might be encountered in executing the work, carrying materials to the site of work, availability of drinking water and other human requirements & security etc. Work on river banks may be interrupted due to a number of unforeseen reasons e.g. sudden rise in water levels, inundation during flood, inaccessibility of working site for carriage of materials. Engineer-in Charge may order the contractor to suspend work that may be subjected to damage by climate conditions.

No claim will be entertained on this account. There may be variation in alignment, height of embankment or depth of cutting, location of revetment, structures etc. due to change of topography, river condition and local requirements etc. between the preparation and execution of the scheme for which the tendered rate and contract will not stand invalid. The contractor will not be entitled to any claim or extra rate on any of these accounts.

13. A machine page numbered Site Order book (with triplicate copy) will have to be maintained at site by the contractor and the same has got to be issued from the Engineer-in-Charge before commencement of work. Instructions given by inspecting officers not below the rank of Assistant Engineer will be recorded in this book and the contractor must note down the action to be taken by him in this connection as quickly as possible.
14. The contractor shall be bound to comply with all the Central & State Pollution Control Acts & Rules during entire construction period.
15. All possible precautions should be taken for the safety of the people and work force deployed at worksite as per safety rule in force. Contractor will remain responsible for his labour in respect of his liabilities under the Workmen's Compensation Act etc. He must deal with such cases as promptly as possible. Proper road signs as per P.W.D. practice will have to be erected by the contractor at his own cost while operating public thoroughfares. Also, display boards containing brief description and name of project with completion target dates shall be erected at a prominent location at the work site by the contractor for public awareness. Insurance of workers and materials is the responsibility of the bidder during entire construction period.
16. The contractor will have to maintain qualified technical employees and/or Apprentices at site as per prevailing Apprentice Act or as stipulated in the contract. No compensation for establishment charge will be entertained.
17. The contractor will have to accept the work programme as per modifications and priority of work fixed by the Engineer-in-Charge so that most vulnerable reach and/or vulnerable stretch is completed before impending monsoon or rise in river flood water level or commencement of canal irrigation water release or for other suitable reasons.
18. Quantities of different items of work mentioned in the departmental tender schedule/BOQ or in work order are only tentative. In actual work, these may vary considerably. Payment will be made on the basis of works actually completed in different items as per specifications and codes, and no additional claim will be entertained for reduction of quantities in some items or for omission of some items. For execution of any additional item or supplementary works within the tendered value with the total completion value remaining within the accepted tendered cost, approval of the Tender Accepting Authority/Government in the Irrigation & Waterways Department would be required.
19. In order to cope with the present system of e-pradan billing, departmental supply of construction materials is discouraged. However, Departmental materials may be issued to the contractor/bidder to the extent of requirements as assessed and following accounts procedure in the Treasury system of bill payment and instalments as decided by the Engineer-in-Charge. Issue of materials may be of three categories.
 - a) Materials issued directly to the work and subject to recovery.
 - b) Materials issued from departmental go down and subject to recovery.
 - c) Materials issued free of cost.

Decision of the Engineer-in-Charge should be final and binding in this regard. He also stands solely responsible for reconciliation of accounts, if materials are issued to the contractor.

20. Any materials brought to site by the contractor subject to approval of the Engineer-in-Charge. The rejected materials must be removed by the contractor from the site at his own cost within 48 hours of issue of the order to that effect. The rates in the schedule are inclusive of cost and carriage of all materials to worksite. The materials will have to be supplied in phase with due intimation to the Sub-Divisional Officer/Assistant Engineer concerned in conformity with the progress of the work. For special type of materials, i.e. Geo Synthetic Bags, HDPE Bags, Geo Textile Filter, Geo jute Filter etc. if any, relevant Data Sheet containing the name of the Manufacturers, Test Report etc. will also be submitted in each occasion. Engineer-in-Charge may conduct independent test on the samples drawn randomly before according approval for using the materials at site. In this regard decision of Engineer-in-Charge shall be final and binding.
21. For materials under category 19(a),(b)&(c), the contractor will act as the custodian thereof. The materials will have to be carried from the nearest Departmental go-down to worksite by the contractor at his own cost. The contractor shall remain responsible for the proper storage and safety of the materials. Suitable Go-down/ Store shall have to be made by the contractor at his/her own cost. Penalty charges shall be levied at higher rate for loss, wastage, misuse. Surplus materials of the departmental if any, shall have to be returned to the issuing Go-down or store at the contractor's cost within the time frame as fixed by Engineer-in-Charge, otherwise, the cost at penal rate will be recovered from the bill. Indent for departmental materials shall be submitted by the contractor to the AE/S.D.O. at least 7 days in advance of actual requirement. No claim will be entertained for non-issuance of such materials in time but reasonable extension of time will be granted. All materials, whatever be the category thereof, shall be properly stored by the contractor in suitable go downs near the site of work at his own cost & under no circumstances whatsoever shall any material be removed from the site of work without prior written permission of the Engineer-in-Charge. The contractor shall be responsible for any damage, wastage or loss of such materials.
22. The contractor shall also have to satisfy the Engineer-in-Charge regarding the proper utilization of materials which have been issued departmentally.
23. Value of the material, under category (a) & (b) of clause 19, will be recovered from the bills of the contractor in one or successive instalments as may be decided by the Engineer-in-Charge.
24. Requisite quantity of cement as may be required for the work will be supplied from the nearest Departmental go down if stock permits. The issue rate of cement is shown in the Schedule of materials attached. Any excess consumption of cement by more than 5% over the final consumption statement drawn up as per consumption rate specified in the Schedule will be recovered at a penal rate shown in schedule.
25. Reinforcement steel rods/MS sheet piles/bitumen will be issued if stock permits, from the nearest departmental go-down where such material is available in marketable length/quantities. While issuing the same, for any particular work the quantity actually required as per approved drawing shall only be issued. While executing the work, it will be responsibility of the Contractor/bidder as well as the Engineer-in-Charge to get this quantity properly utilized in the work. Cut pieces, if any will not be taken back by the Department. Recovery for the total quantum of steel issued will be made at the issue rate shown in the Schedule below. In case of misuse over +10%, deduction will be made at a penal rate shown in the Schedule below. This whole principle shall apply in case of other M.S materials like sheet piles and structural steel members as well.

26. The work is to be executed strictly as per specification attached with e-NIT and shall confirm relevant Indian Standard Codal provisions and good industry practice. In the absence of any such provision in some items, the tending authority reserves the right to adopt suitable International Code/specifications/standards.

27. The terms and conditions of the tender form W.B. Form No. 2911(ii) and N.I.T. notice will be the part of contractual agreement.

28. SCHEDULE OF RECOVERY RATES OF DEPARTMENTALLY SUPPLIED CONSTRUCTION MATERIALS

Sl. No.	Name of materials	Issue rate (in `)	Unit	Penalty recovery rate for loss or misuse or wastage (if otherwise not mentioned specifically in the SoR)	Place of delivery
01	Cement		MT	2 (Two) times issue rate	Departmental Godown
02	Reinforcement steel rods, structural steel members, M.S sheet Piles		MT	2 (Two) times issue rate	-do-
03	Bitumen		MT	2(Two) times issue rate	-do-
