Memo No: 1742

1. Separate sealed Tenders in printed form [W.B.F. No. 2911] are invited by the Executive Engineer, Calcutta Drainage Outfall Division, on behalf of the Governor of West Bengal, for the works as per list and time schedule attached herewith, from eligible bonafide, reliable and resourceful outside Contractors having sufficient experience in execution of similar type of works as per categorization, detailed hereinunder.
2. a. Separate Tender should be submitted for each work, as per attached List, in sealed cover super scribing the name of the work on the envelope and addressed to the proper authority.  
b. Submission of Tender by Post is not allowed.
3. The Tender documents and other relevant particulars (if any) may be seen by the intending Tenderers or by their duly authorized representatives during office hours in the Office of the Executive Engineer, Calcutta Drainage Outfall Division.
4. a. Intending Tenderers should apply for Tender Papers addressing Executive Engineer, Calcutta Drainage Outfall Division, in their respective Letter Heads enclosing self attested copies of the following documents, originals of which and other documents like Registered Partnership (for Partnership Firms) etc. are to be produced on demand, as well as during interview (if any).
  - i. Trade License valid at least up to the date of opening of the Tenders. Application for such clearance addressed to the competent authority, subject to production of authenticated receipt, may also be considered.
  - ii. Valid GSTIN under GST Act & Rules, Valid PAN card in the name of bidder/organization, Latest IT Return. Latest Professional Tax Payment Certificate (PTPC) or, PT deposit challan for current financial year,
  - iii. Completion Certificate / Payment Certificate(s) for one single similar nature of work worth at least 30% of the value of the work for which Tender Paper is desired, executed during the current year and within last 5 (Five) financial years will only be accepted as valid credential.
  - iv. Completion Certificate(s) submitted by the tenderer should indicate the monetary value of the work executed within the last 5(five) years. Monetary value of the work will be further multiplied by the following factors to take care of the inflationary effects to arrive at the net notional amount.

Year	Description	Multiplying factor to arrive at net notional amount
Current		1.00
1st	1 year preceding the current financial year	1.08
2nd	2 year preceding the current financial year	1.16
3rd	3 year preceding the current financial year	1.26
4th	4 year preceding the current financial year	1.36
5th	5 year preceding the current financial year	1.47

- v. A Statement showing number and value of works presently under execution by the Tenderers under the Irrigation & Waterways Department and other Government Departments / Organizations as stated in paragraph 4(b) hereunder
- VI. Declaration by the Applicant to the effect that there is no other applications for Tender Paper for the work in this NIT in which he / she / they has / have common interests. Failure to produce any of the above documents may be considered good and sufficient reason for non-issuance of tender paper

vii. Any contractor/bidder may bid for any number of Serials of work in a particular e-NIT, if more than one work have been published in that NIT, subject to fulfillment of the following condition:

There should be full compatibility (matching between the technical PQ credential submitted by the bidder in the form of Credential Certificate (CC) along with other relevant documents) relating to any work successfully completed by the bidder and technical PQ criteria specified in the NIT for any particular serial of works for which the bidder intends to bid. In other words, technical PQ credential certificate along with relevant documents submitted for any work should at the minimum, satisfy the technical PQ eligibility criteria specified for that work. Normally there should be separate CC along with relevant documents for each of the serial of works, the bidder intends to bid and the serial number relevant to the CC should be clearly written on the body of the CC and also on the other documents. However, the bidder will also reserve the right to submit one CC along with relevant documents for bidding in more than one serial of work, provided cumulative technical

PQ credential of all such serials should be fulfilled by one single CC. In such case also, serial numbers of the relevant works for which the CC is submitted should be clearly written on the body of the CC by the bidder. Omission of serial numbers on the body of the CC and also on the other documents in case of bidding for more than one serial will lead to rejection of all the bids.

- b. Completion Certificates issued by Competent Authority will normally be considered as credential. Apart from credentials of works executed under Irrigation & Waterways Department, credentials of works executed under Public Works & Public Works (Roads) Departments, Public Health Engineering Department, Sundarban Affairs Department & other State Government Departments, ZillaParishads, WBHIDCO, WBSEDCL, KMDA, KMW&SA, KMC, HRBC, Engineering Departments of Central Government and Organizations like Railways, KoPT, and Mackintosh Burn Ltd., Westinghouse Saxby Farmer Ltd. & Britania Engineering Ltd. may also be considered. Completion certificates are to be countersigned by the Executive / Divisional Engineers of the respective State / Central Government Departments, or Officer of the equivalent rank, if those are issued by some other authority. Over and above the completion certificates, certificate from the competent authority regarding payment received so far for the work (even if the full payment might not have been received), supported by Bank Statement showing that the corresponding amount of payment has actually been deposited in the Bank, will have to be produced in the cases of works executed under Departments / Organizations other than Irrigation & Waterways Department, failing which credentials may not be considered.
  - c. Any suppression / misrepresentation of fact will automatically debar the applicant from participating in any Tender under the Division / Circle for at least 3 (Three) years from the date of detection, in addition to such other penal action as the Government may deem proper.
5. Intending Tenderers not satisfied with the decision of the Tender Paper Issuing Authority may prefer an appeal to the next superior Officer. Concerned Chief Engineer will be the Appellate Authority for High Value Tenders. Necessary communication regarding his appeal to the Appellate Authority must be brought to the notice of such authority within two working days after the date of issue of tender paper, and copy of such communication should also be submitted to the Tender Paper Issuing Authority within the same period, failing which no such appeal will be entertained.
