Memo No: 01

Dated 03/01/2022

**NOTICE INVITING TENDER**

**N.I.T No - 05/DHISD OF 2021-22**

Separate tenders are being invited by the Sub-Divisional Officer, Diamond Harbour Irrigation Sub-Division, Irrigation & Waterways Directorate, Diamond Harbour, South 24 Parganas on behalf of the Governor of West Bengal, [Vide Notification No: 19(W)/2016-17, Dated. 19<sup>th</sup> July of The Secretary to the Govt. Of West Bengal, Irrigation & Waterways Department] for the work mentioned in the list given below from eligible and resourceful contractors/bidders having sufficient credential and financial capability for execution of works of similar nature.

The intending bidders should apply for tender paper in the office of the **Sub-Divisional Officer** Addressing to the **Sub-Divisional Officer, Diamond Harbour Irrigation Sub Division, Diamond Harbour, South 24 Parganas.**  
**Last date & time for application of tender is on 01.10.2021 till 20:00 Hours.**

The intending bidder/contractor must read the Terms & Conditions contained in the Notice Inviting Tender (NIT) carefully. He/she should particularly go through the eligibility criteria, and satisfy himself/herself of the mandatory requirements. Contractors/bidders desirous of participating in the tender may submit their application for the work only if they fulfill the minimum eligibility criteria and are in possession of all the required documents.

**Eligibility for participation**

Bona fide contractors/bidders, Registered Co-operative Societies, Consortiums and Partnership Firms registered with the State Government and contractors/bidders of equivalent grade or Class, registered with the Union Government / Military Engineering Services / Indian Railways for execution of civil works are eligible to participate depending on the criteria as laid down below in the subsequent para/clause. Joint venture firms are not eligible to participate in tenders. Net notional amount calculated from Completion Certificate (CC) of a single work during last 5 years issued in favour of the contractor/bidder /agency/firm/consortium for a work of similar nature should be **at least 30 %** of the amount put to tender (Tender Value) for the work. However, for consortiums where CC of individual entities of the consortium are to be considered, sum of work values in the CC of individual entities (one for each entity) for works of similar nature should be at least **90%** of the tender value. The power to decide on the criteria of similarity rests without any prejudice solely with the Tender Accepting Authority.

**Note:** *In case of consortiums, maximum number of constituents shall be restricted to 5 (five) and each of the constituent must have at least some work credential. Individual constituents of a consortium cannot form another consortium.*

**Participation in more than one serial of work in a tender**

1. Any contractor/bidder may submit bids for a maximum of 50% of the total number of works (rounded up to next higher integer) published in any particular NIT depending on his/her previous work credential and financial capability.
2. There should be full compatibility (matching between the technical PQ credential submitted by the bidder in the form of Credential Certificate (CC) along with other relevant documents as stated under Clause 3) relating to any work successfully completed by the bidder and technical PQ criteria specified in the e-NIT for any particular serial of works for which the bidder intends to bid. In other words, technical PQ credential certificate along with relevant documents submitted for any work should at the minimum; satisfy the technical PQ eligibility criteria specified for that work. Normally there should be separate CC along with relevant documents for each of the serial of works, the bidder intends to bid and the serial number relevant to the CC should be clearly written on the body of the CC and also on the other documents stated under **Clause 3**. However, the bidder will also reserve the right to submit one CC along with relevant documents for bidding in more than one serial of work, provided cumulative technical PQ credential of all such serials should be fulfilled by one single CC. In such case also, serial numbers of the relevant works for which the CC is submitted should be clearly written on the body of the CC by the bidder. Omission of serial numbers on the body of the CC and also on the other documents stated under **Clause 3**, in case of bidding for more than one serial will lead to rejection of all the bids.

me Schedule of Tender procedure:-

i)	Last Date & Time for application for issue of Tender Form	10.01.2022	Upto 12:00 Hours
