6. Pre Qualification PQ eligibility criteria

Prequalification PQ eligibility of a contractor/ bidder based on one single 100% completed works contract and financial capacity achieved within the zone of last five financial years will be determined as per Rules stated below

- 6 I a . Firstly the gross value of the work submitted as PQ Credential as per CC of similar in nature completed during the current financial year before date of publishing of e NIT or within the preceding five FY will be multiplied by the following factors to take care of the inflationary effects to arrive at the gross notional amount.

Year	Description	Multiplying factor to arrive at gross notional amount
Current	The financial year of floating of NIT	1.00
1 st	1 year preceding the current financial year	1.08
2 nd	2 years preceding the current financial year	1.16
3 rd	3 years preceding the current financial year	1.26
4 th	4 years preceding the current financial year	1.36
5 th	5 years preceding the current financial year	1.47

Note For cases where two contractors/bidders are participating in a e Tender for a particular work are such that one happens to have worked as a sub contractor of the other and both the contractors/bidders PQ submit work credential of having completed the same job either wholly or partly then in such case the PQ credential of the principal contractor will be considered while that of the sub contractor will not be taken into consideration for determining the eligibility criteria of the contractor/bidder during technical evaluation of the tender. If the PQ Credentials submitted by hitherto contractors/bidders are for different works then both the PQ Credentials will be considered for determining the eligibility criteria of the individual contractors/bidders.

6 II. Financial proposal of any contractor/bidder will come under consideration only when the Technical PQ criteria mentioned below are satisfied and fulfilled in the Technical Bid Evaluation stage.

Gross notional amount calculated from Credential Certificate CC of a single works contract completed within the zone of immediate preceding five financial years on the date of this e NIT issued in favour of the contractor/bidder /Agency/Firm/Registered Co operative Society for a similar work defined in the tender should be at least 30% of the amount put to tender for the work it is bidding. 16. The contractor will have to maintain qualified technical employees and/or Apprentices at site as per prevailing Apprentice Act or as stipulated in the contract. No compensation for establishment charge will be entertained.
17. The contractor will have to accept the work programme as per modifications and priority of work fixed by the Engineer in Charge so that most vulnerable reach and/or vulnerable stretch is completed before impending monsoon or rise in river flood water level or commencement of canal irrigation water release or for other suitable reasons.
18. Quantities of different items of work mentioned in the departmental tender schedule/BOQ or in work order are only tentative. In actual work these may vary considerably. Payment will be made on the basis of works actually completed in different items as per specifications and codes and no additional claim will be entertained for reduction of quantities in some items or for omission of some items. For execution of any additional item or supplementary works within the tendered value with the total completion value remaining within the accepted tendered cost approval of the Tender Accepting Authority/Government in the Irrigation and Waterways Department would be required.
19. In order to cope with the present system of e pradan billing departmental supply of construction materials is discouraged. However Departmental materials may be issued to the contractor/ bidder to the extent of requirements as assessed and following accounts procedure in the Treasury system of bill payment and in instalments as decided by the Engineer in Charge. Issue of materials may be of three categories.
 - a) Materials issued directly to the work and subject to recovery.
 - b) Materials issued from departmental go down and subject to recovery.
 - c) Materials issued free of cost.

Decision of the Engineer in Charge should be final and binding in this regard. He also stands solely responsible for reconciliation of accounts if materials are issued to the contractor.

20. Any materials brought to site by the contractor subject to approval of the Engineer in Charge. The rejected materials must be removed by the contractor from the site at his own cost within 48 hours of issue of the order to that effect. The rates in the schedule are inclusive of cost and carriage of all materials to worksite. The materials will have to be supplied in phase with due intimation to the Sub Divisional Officer/Assistant Engineer concerned in conformity with the progress of the work. For special type of materials i.e. Geo Synthetic Bags HDPE Bags Geo Textile Filter Geo jute Filter etc. if any relevant Data Sheet containing the name of the Manufacturers Test Report etc. will also be submitted in each occasion. Engineer in Charge may conduct independent test on the samples drawn randomly before according approval for using the materials at site. In this regard decision of Engineer in Charge shall be final and binding.
21. For materials under category 19 a b and c the contractor will act as the custodian thereof. The materials will have to be carried from the nearest Departmental go down to worksite by the contractor at his own cost. The contractor shall remain responsible for the proper storage and safety of the materials. Suitable Go down/ Store shall have to be made by the contractor at his/her own cost. Penalty charges shall be levied at higher rate for loss wastage misuse. Surplus materials of the departmental if any shall have to be returned to the issuing Go down or store at the contractor's cost within the time frame as fixed by Engineer in Charge otherwise the cost at penal rate will be recovered from the bill. Indent for departmental materials shall be submitted by the contractor to the AE/S.D.O. at least 7 days in advance of actual requirement. No claim will be entertained for non issuance of such materials in time but reasonable extension of time will be granted. All materials whatever be the category thereof shall be properly stored by the contractor in suitable go downs near the site of work at his own cost and under no circumstances whatsoever shall any material be removed from the site of work without prior written permission of the Engineer in

- Charge. The contractor shall be responsible for any damage wastage or loss of such materials.
22. The contractor shall also have to satisfy the Engineer in Charge regarding the proper utilization of materials which have been issued departmentally.
 23. Value of the material under category a and b of clause 19 will be recovered from the bills of the contractor in one or successive instalments as may be decided by the Engineer in Charge.
 24. Requisite quantity of cement as may be required for the work will be supplied from the nearest Departmental godown if stock permits. The issue rate of cement is shown in the Schedule of materials attached. Any excess consumption of cement by more than 5% over the final consumption statement drawn up as per consumption rate specified in the Schedule will be recovered at a penal rate shown in schedule.
 25. Reinforcement steel rods/MS sheet piles/bitumen will be issued if stock permits from the nearest departmental godown where such material is available in marketable length/quantities. While issuing the same for any particular work the quantity actually required as per approved drawing shall only be issued. While executing the work it will be responsibility of the Contractor/bidder as well as the Engineer in Charge to get this quantity properly utilized in the work. Cut pieces if any will not be taken back by the Department. Recovery for the total quantum of steel issued will be made at the issue rate shown in the Schedule below. In case of misuse over +10% deduction will be made at a penal rate shown in the Schedule below. This whole principle shall apply in case of other M.S materials like sheet piles and structural steel members as well.
 26. The work is to be executed strictly as per specification attached with e NIT and shall confirm relevant Indian Standard Codal provisions and good industry practice. In the absence of any such provision in some items the tendering authority reserves the right to adopt suitable International Code/specifications/standards.
 27. All queries and disputes arising out of the works contract during construction phase are to be brought to the notice of the Chairman of the 'Department Dispute Redressal Committee' in writing for decision within 15 days.
