DETAILS SCOPE OF WORK:

1. Systems have to be maintained during the entire period of contract in working condition with regular Quarterly Preventive Maintenance, servicing of the computer hardware and software (including power cords with plugs and printer cables, 9 to 25 pin converter, speakers, power adaptors/converters, internal PCI cards), and other equipment, checking with software test programs and removal of fault on calls including removal of any functional disorder of the computer systems such as corruption of software programs and data.
2. The AMC vendor shall maintain a log book in which separate pages should be allotted to each computer system and its peripherals. The firm shall record the calls attended and quarterly regular services rendered and get the signature of the user along with User's name, Designation, stamp and Section Name.

3. The AMC vendor shall do the non-comprehensive maintenance of all the items as specified in ANNEXURE-II (Schedule of Work). The consumable items like CD/Floppies, Ribbons, toner, Cartridges, Cassettes, batteries, adaptor, antivirus packages for removal of virus shall be supplied by the agency as & when required (The quantity of consumable items shall not exceed the quantity specified in ANNEXURE-II).
4. On-site preventive and break-down maintenance of PCs and peripherals at Division/Sub-Division-II/Circle offices at Tinbatti, Siliguri and Sub-Division-I/ Site Offices at Oodlabari, Gazoldobda etc. is to be done from time to time. Adequate inventory of hardware parts like Keyboard, Mouse, RAM, SMPS, various types of cables (including Network Cables) etc. must be kept in stock in advance by the contractor.
5. After completion of AMC period or after termination of contract, the firm (presently holding AMC) is responsible to handover all the machines in working condition, which were under AMC with the firm, unless it was communicated/mutually agreed earlier. Otherwise the department reserves the right to get faulty machines repaired by any other firm at the cost of the firm.
6. Preventive maintenance will be carried out during the last month of each quarter. Preventive maintenance will include inspection of each system, scanning hard disk for any defects/problems therein and obtain a satisfactory working certificate from the user after cleaning of the system i.e. PC/ Monitor/ Printer/ Key Board /CD ROM Drive/ FDD and other accessories with a blower/ vacuum cleaner as per requirement and wiping the surface of the systems with a good quality cleaning liquid, cloth and brush etc. On no account, equipment or its accessories shall be allowed to be taken out of its normal installed location. Only replacement of sub-assemblies of the whole unit on a like-by-like or later version basis will be permissible and the replacement of such assemblies be done with the written approval of JE-in-charge of this office. Before taking up preventive maintenance, the contractor will submit a schedule of preventive maintenance.
7. Routine cleaning of all the PCs and their accessories has to be carried out once in a month with a good quality cleaning liquid, cloth and brush etc. This shall not be necessary in last month of the quarter, because routine cleaning of PCs shall be carried out under the preventive maintenance schedule to be executed.
8.
