Undertakings with proven credentials in execution of engineering construction and procurement projects not otherwise blacklisted or debarred by order on the date of publication of NIT are eligible to participate subject to fulfilling the criteria laid down in the subsequent paragraph. Consortiums and Joint Ventures are not allowed to participate in tenders of value up to Rs. 100.00 lakh.

5. Participation in more than one serial of work out of list of works in the tender notice.

Any contractor/bidder may apply for a maximum of 50% of the total number of works (Serial of works if a number of works have been tendered in the same NIT) rounded up to next higher integer, published in any particular NIT, subject to a maximum of three, depending on his/her PQ work credential and financial capabilities, details of which have been explained later.

6. PAN, PTPC, GST, Latest available IT RETURN and trade license valid up to the date of opening of the tenders. Application for such clearance addressed to the Competent Authority, subject to production of authenticated receipt may also be considered.
7. Completion Certificates (CC) for 100% completed works (Gross 100% final billed value) within last five financial years will only be accepted as valid PQ credential of work. Incomplete ongoing work shall not be considered for valid PQ work Credential. Payment Certificate without containing other mandatory details as required in standard Completion Certificate formats of the PQ work credential shall not be treated as valid CC.
8. CC should preferably contain the name, postal address, contact Telephone No. and FAX and e-mail ID, of the office and designation of the officer/ authority issuing the CC for the work along with the name of work and amount put to tender (Tender Value). Illegible certificates if issued, incomplete contact details making it time consuming for verification purposes of CC outside the jurisdiction of the State and those having incomplete information may be rejected.

Completion Certificates (CC) of previous works successfully completed in the Irrigation & Waterways Directorate will be considered. CC of 100% completed works executed in any other State / Central Government Ministry / Department / Organization / Govt. Undertaking / Govt. Enterprises or Nationalized Institutions or Local Government Bodies (Municipalities, Zilla Parishad & Panchayat Samities within West Bengal, will also be considered as valid PQ work credential. Such CC are to be issued by an officer/authority not below the rank of Executive Engineer / Divisional Engineer /District Engineer/Project Manager of the State/Union Government Departments/ Organizations; authorized signatories of CC for Panchayat Samities and Municipalities shall be the BDO & Executive Officers or equivalent administrative officers respectively. It is desirable to have telephone and FAX or e-mail addresses of the signatory of the CC for all offices outside West Bengal for verification purposes.

9. Pre Qualification (PQ) eligibility criteria

Eligibility criteria for prequalification (PQ) of a contractor/ bidder based on his/her credential of 100% completed single works contract and financial capacity in the zone will be determined as per Rules stated below:

Firstly, gross bill value of the work as per CC of single works contract of similar nature completed during the current year and preceding five FY will be multiplied by the following factors to take care of the inflationary effects to arrive at the gross notional amount.

Year	Description	Multiplying factor to arrive at gross notional amount
Current	-	1.00
1 st	1 year preceding the current financial year	1.08
2 nd	2 years preceding the current financial year	1.16
3 rd	3 years preceding the current financial year	1.26
4 th	4 years preceding the current financial year	1.36
5 th	5 years preceding the current financial year	1.47

Note: For cases where two contractors/bidders are participating in a Tender for a particular work are such that one happens to have worked as a sub-contractor of the other, and both the contractors/bidders submit work credential of having completed the same job either wholly or partly, then in such case the credential of the principal contractor will be considered while that of the sub-contractor will not be taken into consideration for determining the eligibility criteria of the contractor/bidder during issue of tender form. If the PQ work credentials submitted by hitherto contractors/bidders are for different works, then both the PQ work credentials will be considered for determining the eligibility criteria of the individual contractors/bidders.

Gross notional amount calculated from Completion Certificate (CC) of a single works contract 100% completed within the zone of immediate preceding five financial years as on the last date of application of this NIT, issued in favour of the contractor/bidder /agency/Firm/Registered Co-operative Society for a similar work defined in the tender should be at least 30% of the amount put to tender (Tender Value) for the work it is bidding. The power to decide on the criteria of similarity rests without any prejudice, solely with the Tender Accepting Authority which shall be stated in the List of Works.

9. Eligibility criteria for participating in more than one serial of work in an NIT

Normally, separate SOR and Completion Certificate (CC) of 100% completed different works are to be provided by a bidder as PQ work credential for participation in separate works in a particular NIT. However, SOR and CC for one particular work may be considered eligible for participation in maximum two numbers of serials of work in the same NIT, provided requisite PQ

work credential vis-a-vis PQ work credential (both work as well as financial capacity) desired in the 'List of Works' for two works being bid by the same bidder is to be arithmetically added and satisfies the requirement in all respect from one such CC submitted in both the serials.
