The tender is to be invited afresh. However, before inviting 2<sup>nd</sup> or subsequent calls the eligibility criteria and other terms & conditions as contained in the first 'Notice Inviting Tender' are required to be reviewed by the 'Tender Inviting Authority' to ascertain whether:

- It was too much restrictive, say, specifications and qualifications were fixed at higher standard than required,

### **Situation III: In case of tie bid**

In addition to what has been stated in Situation I and II above, the following procedure should be adopted when there is a tie among the L1 Bidders:

If none of the L1 bidders is ready to offer further reduced rates:

#### **A. For items divisible in nature -**

- i. The work may be distributed equally among the consenting L1 bidders.
- ii. If none of the L1 bidders is ready to accept reduced quantity, the bidder with higher credential based on the following parameters, may be selected among L1 bidders in the following manner:
  - a. In case of supply of goods, last three years average turnover of the bidder shall be considered.
  - b. In case of execution of work / supply of service, value of single work/ service of similar nature completed during last 3 years shall be considered.
  - c. In case of supply of man power, number of personnel supplied in a single contract during the last 3 years shall be considered.

#### **B. For items not divisible in nature-**

- i. If none of the L1 bidder is ready to offer further reduction of rates, the bidder with higher credential based on parameters, as mentioned in **A(ii)** above may be selected among L1 bidders.

  - e. Whether the Technical Criteria were reviewed and if necessary, revised by the TIA before 2<sup>nd</sup> or subsequent calls of the Tender;
  - f. Whether the Eligibility Criteria like Minimum Average Annual Turnover, Net Worth, Credentials, etc. restricted fair competition among the prospective bidders;
  - g. Whether in case of Non-Schedule Item (s) market rates have been suitably assessed by the TIA to ascertain reasonability of quoted rate (s);

- h. Whether the Departmental Tender Committee has examined the Tender and found the quoted rate reasonable and recommended for acceptance where necessary;
- i. Whether the Financial Advisor has recommended acceptance of bid or advised for re-tender;
- j. Any other aspects and factors as required and deemed fit.

### 3. General Instructions:

- a. The tender process is to be initiated well in advance keeping in mind that there may be a situation for extension of last date and / or re-tender.
- b. The last date of submission may be extended (for both e-tender or off line tender process) if the notice of extension is issued before the technical bids are opened and within the scheduled date & time of opening the same. Such extension is to be made at least for 5 days which would be counted from the date of publication of the corrigendum notice for such extension in at least one widely circulated newspaper.
- c. Extension of dates cannot be treated as subsequent call.
- d. Sometimes it is seen that tenders are being rejected in pre-qualification stage due to minor clerical / rectifiable deficiencies in the uploaded documents of the bidders. In such cases -
  - i. The Tender Inviting Authority may give an opportunity to the bidders whose technical bids are found defective **due to minor clerical mistakes / rectifiable deficiencies** to explain their position within seven working days through e-mail.
  - ii. And after receiving the clarification on deficiency, the TIA may take appropriate decision on the admission of the bid considering the merit of the case.
4. For acceptance of tender beyond the limits as stated herein above the proposal shall have to be referred to the Finance Department with rate analysis by TIA, comments of DTC and with specific recommendation of FA & Head of the Administrative Department in the Annexure-I as enclosed.
5. If any revised administrative approval is necessary due to acceptance of tender beyond the estimated amount, the Administrative Department will accord necessary approval with the concurrence of Financial Advisor subject to availability of budget provision.
6. This order is also applicable to all Local Bodies, Development Authorities, Statutory Organization, Corporations and Parastatals etc. under the administrative control of any department of Government of West Bengal.
7. This order comes into operation with immediate effect.
