NOTICE INVITING e-TENDER

e-NIT No. WBIW/SE/EC/NIT-06(e)/2025-26

Encrypted electronic bids are hereby invited by the **Superintending Engineer, Eastern Circle, Irrigation & Waterways Directorate** on behalf of the Governor of the State of West Bengal through a single stage two part e-Procurement System; (Part I: Techno-commercial bid and Part II: Financial bid) for the 'LIST OF WORKS' given in the next page from eligible bonafide contractors/agencies/bidders having specified Pre-Qualification (eligibility) credential for execution of works of similar nature and desired financial capabilities. The technical bid in Part-I would require the bidder to qualify for the next phase of financial bid: Part-II, in which L1 bid price would determine the final selection and acceptance of a bidder for award of the Procurement of Goods & Works contract. Intending contractors/bidders desirous of participating in this e-Tender are required to login to the Government of West Bengal e-Procurement website having URL <https://wbtenders.gov.in> and locate the instant tender by typing **WBIW/SE/EC/NIT-06(e)/2025-26** in the search engine provided therein, or by logging-in using their assigned User ID and password. They may also visit the official website of the Irrigation & Waterways Department, Government of West Bengal www.wbiwd.gov.in to locate the same e-Tender by scrolling the "e-Procurement" link.

Contractors/bidders willing to take part in the e-Tender are required to obtain a valid Digital Signature-Certificate (DSC) from any of the authorized 'Certifying Authorities' (CA) under Controller of Certifying Authorities (CCA), Department of Electronics & Information Technology (DEIT), Govt. of India. (viz. NIC, n-Code Solution, Safescrypt, e-Mudhra Consumer Services Ltd, TCS, MTNL, IDRBT) or as notified by the CA /Finance Department, GoWB from time to time. DSC is given as a USB e-Token. After obtaining the Class 2 or Class 3 Digital Signature Certificate (DSC) from any of the above CA, they are required to register the fact of possessing the DSC through the registration system available in the above mentioned websites. A list of such licensed CAs' is also available in the CCA website cca.gov.in. The prospective contractors / bidders may contact the Departmental e-Tendering Help desk located at the 7th Floor of Jalasampad Bhavan at Bidhannagar, Sector-II, Kolkata, through e-mails irrigationhelpdesk@gmail.com and dvcsc6816@gmail.com or Telephone No. 033-23346098 and the State Level e-Procurement Help Desk located at the Ground Floor of Jalasampad Bhavan through e-mail wbehelpdesk@gmail.com or Ph:(033)-2334 5161 on any working day between 10.30AM-5.30PM for any query on e-Tendering procedure, obtaining DSC and free of cost training on e-Procurement procedure.

Intending contractors/bidders are required to download the e-Tender documents directly from either of the websites stated above. **This is the only mode for receiving of a tender.** The interested bidders eligible for the tender are required to submit their bids through the e-Procurement System using their valid DSC e-Token with assigned PIN using login ID and password. Details of e-filing procedure for participating in e-tenders under State Government have also been explained in the 'Bidders' Manual', available in the Departmental website www.wbiwd.gov.in.

Last date & time of submission of bid electronically, is on 23rd September, 2025 till 17.00 Hours IST.

The applicant bidders/contractors are advised to carefully read all the 'Terms & Conditions' contained in this e-Notice Inviting Tender (e-NIT). He/she should particularly go through the minimum desired Pre-qualification (PQ) works credential & financial eligibility criteria and satisfy himself/herself of all the mandatory eligibility requirements. Bidders desirous of participating in the e-Tender should submit bids only if they fulfill the minimum PQ eligibility criteria and are in possession of all the required PQ Credential documents "in original" as these may be summoned by the Tender/Technical Bid Evaluation Committee for verification purposes.

All information published in the website consisting of e-NIT and other related documents uploaded by the selected bidder, WB Works Contract Form No. 2911, Bill of Quantities (BOQ), EMD exemption order, if any, corrigenda and drawings etc. if any, shall form a part of the Agreement / contract document.

(General Terms & Conditions of contract: 'Tender value' above Rs. 100.00 lakh)

Joint Venture and/or Consortium and/or sub-contractors are not allowed and anything mentioned below in this regard should be treated as not applicable for this tender.

In case of any contradiction observed in WB Form No. 2911 or NOTICE INVITING e-TENDER, 'Additional Terms and Conditions for Qualification Criteria' shall prevail.

1. Eligibility for participation in e-tender under National Competitive Bidding (NCB)

All Bonafide Indian contractors/Agencies/Organizations, Registered Companies/ Firms including Registered Partnership Firms, Proprietorship Firms, Registered Consortiums & valid 'Joint Ventures' and contractors/bidders of equivalent grade or class having Pre-Qualification (PQ) Credential in the Government of West Bengal, Union Government Departments/ Other State Government Departments/ Engineering Wings of Gol /IRCON/RVNL/NHPC, Autonomous Project Authority and other similar organizations of Gol and State Governments/PSU and Corporations of Government of India and other States having successfully completed at least one similar in nature project and not otherwise debarred are eligible to participate, subject to fulfilling other PQ eligibility criteria laid down in the subsequent paragraph.

Note: In case of a Consortium or Joint Venture, the maximum number of constituents shall be restricted to 3 (Three), and each of the constituents must have at least 20% of tender value as their individual average of annual turnovers from business in any three financial years within the zone of last five financial years and also fulfilling other PQ criteria. Individual constituents of a Consortium or JV cannot form another Consortium or JV to bid in the same work of the e-NIT. Where ever a JV/Consortium has submitted a tender, any of its constituents shall not separately bid for the same serial of work in that e-NIT, or shall have no stake involving another bidder participating in the same serial of work.

2. Participation in more than one serial of work out of list of works published in the one e-NIT.

Any contractor/bidder may bid for any number of Serials of work in a particular e-NIT, if more than one work have been published in that e-NIT, subject to fulfillment of all of the following conditions:

- a. There should be full compatibility (matching between the technical PQ credential submitted by the bidder in the form of Credential Certificate (CC) along with other relevant documents as stated under Clause 4.2B (III) relating to any work successfully completed by the bidder and technical PQ criteria specified in the e-NIT for any particular serial of works for which the bidder intends to bid. In other words, technical PQ credential certificate along with relevant documents submitted for any work should at the minimum; satisfy the technical PQ eligibility criteria specified for that work. Normally there should be separate CC along with relevant documents for each of the serial of works, the bidder intends to bid and the serial number relevant to the CC should be clearly written on the body of the CC and also on the other documents stated under Clause 4.2B III. However, the bidder will also reserve the right to submit one CC along with relevant documents for bidding in more than one serial of work, provided cumulative technical PQ credential of all such serials should be fulfilled by one single CC. In such case also, serial numbers of the relevant works for which the CC is submitted should be clearly written on the body of the CC by the bidder. Omission of serial numbers on the body of the CC and also on the other documents stated under Clause 4.2B III, in case of bidding for more than one serial will lead to rejection of all the bids.
- b. Average of gross annual turnover of the individual bidder/Organization/consortium or Joint Venture for any three financial years within preceding seven financial years, as stated under Clause 7V, should not less than the summation of turnover requirements of the relevant individual serial of works for which the bidder intends to bid.

3. Pre-bid Meeting:

'Pre-Bid' meeting would be held in the office chamber of the Tender Inviting Authority (TIA) preferably on Day 4 or 5 from the date of publication of e-NIT, which shall be notified in the date schedule of e-NIT for all works having tender value above Rs.4.00 crore in order to acclimatize the prospective contractors/bidders through an interactive open session, replying to their queries, and clear doubts in connection with the tendered work/s, if any. The minutes of this pre-bid meeting containing clarifications if any, would be uploaded by the TIA within 2 (two) working days in the designated tender folder in e-Procurement portal.

The Additional Performance Security shall have to be submitted by the selected L1 bidder after issuance of Letter of Acceptance / Letter of Invitation (LoA/Lol) within seven working days and before issuance of Award of Contract (AoC) in the form of "Bank Guarantee" of any Scheduled Bank approved by RBI, payable at Kolkata or / in West Bengal, as per specimen format Form-6. If the bidder fails to submit the said value of BG as Additional Performance Security within the seven working days, he may pray for extension of BG submission date within the prescribed 7 days period by another seven days with reasons to be recorded in writing (which is 14 working days from date of issuance of LoA). Else, its/their Earnest Money Deposit (EMD) will be forfeited without any prejudice by the Tender inviting authority and the defaulting bidder also debarred from further participation in all future I&WD tenders for a period of one year for committing the offence on the first occasion and for a period of two years for recurrence of the same offence.

The said Bank Guarantee (BG) shall have to be valid up till the end of the contract/Agreement period including extended time period till 100% physical completion of work in all respects and shall be renewed within validity period accordingly if required. The said Bank Guarantee shall remain in custody of the DDO & Executive Engineer in-charge of the work, which shall be returned to the bidder/contractor after successful physical completion of the work as per contract. If the bidder fails to complete the work successfully, this Additional Performance Security shall be forfeited at any time during the pendency of the contract period after serving proper notice to the contractor/bidder agency. Necessary provisions regarding deduction of security deposit from progressive bills of the contractor in respect of the tendered work shall be governed as per relevant clauses of the tender contract/Agreement which will in no way be affected / altered due to this Additional Performance Security.

The entire Security Deposit or the Performance Security may be released after physical and financial completion of the project but before expiry of the security period or defect liability period against receipt of equivalent amount of Bank Guarantee of approved bank of RBI which should remain valid till the expiry of the defect liability period.

The L1 Bidder who has already deposited Earnest Money following above procedure for tenders of values Rs. 25 Crore or above and EPC contracts, after finalisation of the tender may be allowed to deposit unconditional Bank Guarantee amounting to 5% of the tendered amount as a part of Performance Security (total of which is 10%) after signing of contract agreement on specific request as per terms of the contract. Such BG would remain valid till defect liability period. Further deduction towards balance Performance Security from the 1st RA Bills will be such that the total Performance Security comes to 10 % of the tendered amount i.e. Earnest Money already deposited(& deemed to have been converted as a part of Performance Security) +BG submitted (5% of the tendered amount, as stated above)+amount to be deducted from the RA Bills.

(c) Mobilization Advance:

For all works contracts of value Rs 25 Crore or more, mobilization advance @ 10% of the tendered amount at 10% simple interest may be sanctioned to the contractor on specific request as per terms of the contract. The mobilization advance shall be released only after submission of an unconditional Bank Guarantee of a scheduled bank by the contractor for the amount of advance and interest, which will remain valid for the period of contract. The mobilization advance together with interest on the advance shall be recovered in maximum 5 instalments commencing from 2nd RA Bill.

5A. Login by bidder:

- a. A bidder desirous of taking part in e-tender floated by the State Government shall login to the e-Procurement portal of the Government of West Bengal www.wbtenders.gov.in using his/her login ID and password by using their valid DSC.
- b. He/she will select the tender to bid and initiate payment of pre-defined EMD fixed for that tender by selecting from either of the following payments modes:
 - i. Net-Banking (any of the banks listed in the ICICI Bank Payment Gateway) in case of payment through ICICI Bank Payment Gateway;
 - ii. RTGS/NEFT in case of off-line payment through bidder's bank accounts in any Bank approved by RBI in India.

5B. EMD payment procedure:

- a. Payment by Net Banking out of any listed bank through ICICI Bank Payment Gateway:
 - i. On selection of Net Banking as the payment mode, the bidder will be directed to ICICI Bank Payment Gateway (along

with a string containing a Unique ID) where he/she will select the Bank through which he/she wants to electronically transact the EMD.

- ii. Bidder will make the payment after entering his Unique ID and password of the bank to process the e-transaction.
- iii. Bidder will receive a confirmation message on registered mobile phone regarding success/failure of the transaction.
- iv. If the transaction is successful, the amount paid by the bidder will get credited in the respective Pooling account of the State Government maintained with the Focal Point Branch of ICICI Bank at R.N Mukherjee Road, Kolkata for collection of EMD against unique codes for identification of the tendering authority.
- v. If the transaction is failure, the bidder will again try for payment by going back to the first step.

b. Payment through RTGS/NEFT:

- ii. The bidder will print the challan and use the pre-filled information to make RTGS/NEFT payment using his/her own designated Bank account.
- iii. Once payment is made, the bank would provide an “**UTR remittance number**” for successful transaction with which the bidder will come back to the e-Procurement portal after expiry of 2 to 3 bank working days to enable the NEFT/RTGS process to complete, in order to verify the payment made and continue with his/her bidding process.
- iv. If verification is successful, the fund get credited to the respective Pooling account of the State Government maintained with the Focal Point Branch of ICICI Bank at R.N Mukherjee Road, Kolkata for collection of EMD.
- v. Hereafter, the bidder will go to e-Procurement portal for final submission of his/her e-bid within pre-assigned last date of submission of e-tender.
- vi. If the payment verification is unsuccessful, the amount will be returned automatically by the system to the bidder's bank account.

Note: EMD made through RTGS/NEFT would require additional 2 to 3 bank working days after date of transaction in the bank before the procedure is completed for enabling the bidder to continue with the bidding process in the on-line final bid submission. Thus, the bidder is to take precaution in case of RTGS/NEFT transfers, so that the entire process of submission of e-tender is completed within last date of on-line submission of his/her tender. However, Net-banking transaction through ICICI bank payment Gateway would be on real time basis.

5C. Refund/Settlement Process for EMD:

- i. After decrypting/admitting of all e-bids, the preliminary technical bid evaluation (TBO) summary sheet would be published in the Portal after two working days, and thereafter at least after four working days, the Final technical evaluation (TBE) summary sheet would be published in the Portal with simultaneous electronic processing in the e-Procurement portal by the tender inviting authority done so that status of the all bids as qualified or disqualified; based on the Final Bid Evaluation Sheet (FBE) is made available to all bidders along with the details of the unsuccessful bidders to ICICI Bank by the e-Procurement portal through web services.
- ii. On receipt of the information from the e-Procurement portal, the Bank will refund through an automated process the EMD of the bidders disqualified at the technical evaluation to the respective bidders' bank accounts from which they made the EMD on-line transaction. Such refund will take place within T+2 Bank working days where T will mean the date on which information on rejection of bid is uploaded to the e-Procurement portal by the Tender Inviting Authority.
- iii. Once the financial bid evaluation is electronically processed in the e-Procurement portal, EMD of the technically qualified bidders other than that of the L1 will be refunded, through an automated e-process, to the respective bidders' bank accounts from which they made the payment transaction. Such refund will take place within T+2 Bank working days where T will mean the date on which information on rejection of financial bid is uploaded to the e-Procurement portal by the tender inviting authority.
- iv. As soon as the L1 bidder is awarded the contract (AOC), the same is processed electronically in the e-Procurement portal for transfer to Government Receipt under Public Accounts of the State through GRIPS where under the security deposit will also be collected in connection with the work.
- v. All refunds will be made mandatorily to the Bank account from which the payment of EMD was initiated.
- vi. If the e-tender is cancelled, then the EMD would be reverted to the original bidder's bank account automatically after such cancellation order is processed online by the Tender Inviting Authority.
- vii. TIA reserves the right to forfeit the EMD electronically in case of breach/violation of tender rules as defined under clause 10 & 11

6. Credential Certificate (CC) as Prequalification (PQ) Work Credential:

- i. Credential Certificates (CC) for one/single 100% completed work within last seven financial years on the date of publication of NIT will only be accepted as valid PQ credential of work. Incomplete ongoing work shall not be considered for valid PQ Credential. Payment Certificate without containing mandatory details shall not be treated as valid CC.
- ii. It is desirable that CC should preferably contain the name with designation, postal address of office, contact Telephone No./FAX / e-mail ID of the authority issuing the CC for the work along with name of work, amount put to tender, date of

completion of the work, gross final billed value of the 100% completed work, certificate of issuing authority indicating successful and satisfactory completion. Illegible certificates, incomplete contact details making it time consuming for verification purposes of CC issued by authorities outside the State are liable to be rejected by the Tender Evaluation Committee (HTEC/TEC).

- iii. Credential Certificates (CC) of successfully completed works in any Department/autonomous authority of the Government of West Bengal will be considered. It is desirable to have telephone and FAX or e-mail addresses of the signatory of the CC for all offices outside West Bengal for verification purposes.

7. Pre Qualification (PQ) eligibility criteria

Prequalification (PQ) eligibility of a contractor/ bidder based on one single 100% completed works contract and financial capacity achieved within the zone of last seven financial years will be determined as per Rules stated below:

- 7 I (a). Firstly, the gross value of the work submitted as PQ Credential as per CC of similar in nature completed during the current financial year before date of publishing of e-NIT or within the preceding seven FY will be multiplied by the following factors to take care of the inflationary effects to arrive at the gross notional amount.

Year	Description	Multiplying factor to arrive at gross notional amount
Current	The financial year of floating of e-NIT	1.00
1 st	1 year preceding the current financial year	1.08
2 nd	2 years preceding the current financial year	1.16
3 rd	3 years preceding the current financial year	1.26
4 th	4 years preceding the current financial year	1.36
5 th	5 years preceding the current financial year	1.47

Note: For cases where two contractors/bidders are participating in a e-Tender for a particular work are such that one happens to have worked as a sub-contractor of the other, and both the contractors/bidders submit PQ work credential of having completed the same job either wholly or partly, then in such case the PQ credential of the principal contractor will be considered while that of the sub-contractor will not be taken into consideration for determining the eligibility criteria of the contractor/bidder during technical evaluation of the tender. If the PQ Credentials submitted by hitherto contractors/bidders are for different works, then both the PQ Credentials will be considered for determining the eligibility criteria of the individual contractors/bidders.

- 7 I (b). Gross notional amount calculated from the Credential Certificate (CC) uploaded as the PQ Credential of a single similar work stated in 7(I) (a) above and completed within immediate seven preceding financial years on the date of e-NIT, **should be at least 40% of the amount put to tender i.e Tender Value**. However, for Consortium/JV where CC of individual entities of the Consortium/JV are to be considered, sum of gross notional value of work in respect of the CC of individual entities for works of similar in nature (one for each entity), aggregate should be at least **60%** of the amount put to tender for which the tender is invited.

7 II Guidelines for ascertaining works of similar in nature

- 7 II. Following major items/conglomeration of items having weight age of 25% or more in terms of monetary values in respect of amount put to tender for a work are to be identified and the monetary value of each of the major item is to be calculated by the Tender Inviting Authority for any particular serial of work listed in the e-NIT by summing up the associated items of the BOQ coming up under any of the major items as described below:

- a. i) **Type-A Earthwork:** (relevant to and required for construction / repair / improvement / Reconstruction of all types of embankments and land filling or land development) :

Earthwork in embankments along canals, channels, rivers, reservoirs, earthwork in excavation or desiltation of ponds (exceeding 5 hectares), earthwork for land filling and development (exceeding 10 hectares) and earthwork, in road / railway embankments or guide bundhs including items of leads, lifts, disposal, and transportation but excluding earthwork in foundation filling or excavation in case of all structures including industrial structure.

- ii) **Type-B Earthwork:** (relevant to and required for re-excavation / desiltation / dredging of canals / channels / rivers

/barrage ponds) :

Earthwork in excavation / re-excavation / desiltation / dredging of canals / channels / rivers / seafront / barrage ponds but excluding ponds and lakes, in dry or wet condition, including items of leads, lifts, disposal and transportation.

Note:- Credential for 'Type - B' earth work may also be considered to ascertain similarity for work including 'Type - A' earthwork but 'vice-versa' cannot be considered. In order of words, bidders having credential of 'Type – A' earthwork will not be eligible for works involving 'Type – B' earthwork.

Note 1:- For this instant work similar nature of will be defined as: Dredging work undertaken by cutter section Dredger (CSD) in tidal rivers and estuary having tidal fluctuation along with disposal of dredged materials by pipeline upto a distance of at least 350 Metres.

- b. Brickwork /Boulder Masonry Work (other than in Buildings): Brickwork/boulder masonry work and cement plaster.
- c. Concrete work: (including reinforcement and allied works in case of piling) other than those for buildings: PCC inclusive of shuttering, formwork with staging, RCC of all grades inclusive of all reinforcements & insert plates & formworks-shuttering with staging complete & MS liners for bore piles & MS or special alloy sheet piles as cut-off walls or retaining walls in all types of structures, concrete pavement and protection works, but excluding concrete works included under Cl. 7 II (g) below.
- d. Structural Steel works: All types of structural steel works including cast iron components but excluding reinforcement rods and all types of MS sheet piles which is included in protection work.
- e. Protection work: All types of river/ canal / pond / embankment / road / coastal protection works using PCC / RCC / Bricks / Boulders / Bats / Polythene / Polypropylene / HDPE / Nylon / Jute / geo-jute / Bullah / MS sheet piles / Bamboos.
- f. Road work: All types of bituminous road / rigid pavement using RCC / PCC / other type of roads using boulder / brickbats / whole bricks / jhama bats / riverbed materials / moorum. In case of construction of PCC pavement upto maximum width of 3.5 m and meant for only 4-wheeler having Gross Vehicular Weight not exceeding 5.5 MT (maximum Axle Load of 3.5 MT, rates as 5R bridge as per IRC-6), PCC/RCC works executed in protection / lining / any other structures including building may also be considered in addition to the criteria stated in the foregoing sentence of this Para.
- g. Building work: All items related to brickwork, cement work including PCC and RCC, formworks, staging, shuttering, plastering, carpentry works, painting and flooring, plumbing, electrical connection all finishing items fittings & fixtures except draperies & furniture complete.
- h. Any other major item or conglomeration of items not mentioned above, namely procurement of goods, equipments, machineries, Tools & Plants, Mechanical, Electrical works, specialised jobs, Fitting, Fixtures etc determined as Major items in respect of the SOR/BoQ of tendered items fulfilling the required criteria.
- i. Any other item contained in the PWD (SoR) or the I&WD, USoR not included herein above will be decided by the HTEC/TEC with recommendation of Chief Engineer concerned.

7 III. Monetary values of each of the 'major items' or 'conglomeration of items forming a major item' contained in the 'BOQ' of this e-tender is to be multiplied by a factor 0.50 to arrive at the minimum required Technical PQ Credential in terms of execution of similar items and clearly stated in absolute terms as amount in rupees in column 8 of 'List of Works'.

7 IV. If value of summation of those items contained in the BOQ of the AOC submitted by the bidder as its PQ Work Credential matches with at least one of the major items or conglomeration of items stated in the minimum PQ Credential at column 8 of the 'List of Works' in the e-tender and is equal to or exceeds the amount of any one of the PQ financial eligibility criteria specified at column 8, bidders PQ Credential may be considered as similar in work subject to fulfilment of the following conditions:

- a. After summation, the value may further be multiplied by the factors stated in the table under clause 7 (I) to take care of the inflationary factors.
- b. Whenever PQ Credential of individual entities of a Consortium/Joint Venture is considered, multiplying factor of 0.40 stated in Clause 7 III should be considered as 0.80 of combined values of the BOQ.

Note:-

- i. If the items of work contained in the tender are such that even after combination and addition of those into categories of major items defined as illustrated in clause 7 II, the aggregate amount being less than 25% of the amount put to tender, the Tender Accepting Authority shall decide on appropriate major items, one or two among the list of predominant items in the tender BOQ and direct the Tender Inviting Authority to fix the financial PQ eligibility requirement (monetary value of such items) accordingly in column No. 8 of the list of works of the tender for determination similar nature.

- ii. Eligibility for similar nature of work will be judged on the basis of items of works in the BOQ/SoR of the that particular serial of work in the e-tender, mentioned in absolute terms in rupees, and the corresponding Major items with that of the AOC with BOQ uploaded by the bidder as PQ work Credential in support of the CC.

7 V. Eligibility criteria based on average annual financial turnover of the bidder:

- a. Apart from satisfying eligibility criteria based on PQ Credential stated in Clause 7 I to IV, the Annual financial Turnover requirements stated below must also be satisfied to declare a bidder qualified for a particular work in financial bid stage.
- b. **Average of Annual turnover from business of any three FY with the zone of immediate preceding seven FY as stated in clause 4.2 B(IV) should be at least 50% of the amount put to tender of work in which the bidder intends to participate.** However, for Consortium/JV, such Average Annual Turnover should be at least 90% of the amount of tender in which the Consortium /JV intends to participate and each entity should have 20% of required Average Annual Turn Over for three preceding financial years. Documents sought under Technical & OID cover folders are mandatory for all the entities of the Consortium/JV.
- c. **'Net financial worth' of the bidder should be positive in the three financial years for which the Annual turn over documents referred under 7Vb. have been uploaded, for qualifying in technical bid. It would inter-alia mean that the total assets of a financial year minus Gross total liabilities as per Audited Balance Sheet should be of positive value.**

8. Additional eligibility criteria for participating in more than one serial of work in a e-NIT

If the same bidder bids separately for on behalf of another Firm or in a different capacity having financial interests in the same work, all the tenders would be rejected.

9. Equipment & Machinery Planning

Following list of machineries & equipments are provided for guidance of the bidders. After completion of evaluation of the bids in accordance with provisions of Para 15.4,15.5, 15.6 & Para 16 of this e-NIT, Letter of Invitation (LOI) / Letter of Acceptance (LOA) will be issued to the successful bidder in accordance with Para 18. If the offence is detected after award of the contract and if the offender happens to be the agency selected for work, and such selection is made due to oversight, forthwith termination of the contract and determination of contract value in accordance with clause 3(ix) (c) of West Bengal Form No. 2911, and simultaneous debarment for a period of six months. Further, in case the offense is detected after completion of work and payment of final bill, the work credential earned would be declared as 'null and void', so that the same cannot be used ever in future as PQ credential for securing other works contracts in the Irrigation & Waterways Department, together with debarment for a period of six months.
- b. For committing 1st degree offense in any of the cases referred under Clause 11D (vi), (vii), (xiii) & (xv), forfeiture of earnest money and debarment for a period of one year. For committing offenses under Clause 11D (xv), debarment period shall be for one calendar year preferably from the date on which the due date for submission of BG had expired (i.e 8th/15th working day from date of receipt of LOA /LOI) by the Departmental Debarment Committee to be notified in the Departmental website.
- c. For committing 1st degree offense in any of the other cases under Clause 11 D (viii) to (xii) & (xiv), termination of contract and its determination in accordance with Clauses 2 & 3 of West Bengal Form No. 2911, including debarment for a period of two years.
- d. For committing 2nd degree offenses under above all categories, period of debarment will be twice the corresponding period for 1st degree offense, in addition to other penal provisions for 1st degree offense.

12. Taxes & duties to be borne by the Contractor/bidder

All taxes, duties & cess which may not be limited to income tax, GST, royalty, construction welfare cess & labour insurances, EPF, License fees etc are to be borne by the contractor. Rates of items contained in the tender BoQ are inclusive of all the T&P, taxes, duties & cess stated above which are enforced on the date of publication of this e-NIT. It is reiterated that there shall not be any change of bid price in the contract. In case of variation of rates of taxes, duties, cess etc. during construction period, no extra claim on these accounts shall be allowed. The bidders are required to bid (i.e below/Above/At-par BoQ as the bidder decides).

13. Site inspection prior to submission of tender

Before submitting a bid, the intending contractor/bidder should make themselves acquainted thoroughly with the local conditions prevailing at site of implementation of the work by undertaking field inspections and taking into consideration all probable likely factors and difficulties to be involved during execution of the work as per specification in all respects including transportation of materials, communication facilities, climate conditions, nature of soil, availability of local labourers and market rates prevailing in the locality etc. and no claim whatsoever will be entertained on those accounts afterwards. In this connection intending contractors/bidders are advised to attend the 'Pre-Bid' meeting with the Tender Inviting Authority on the prefixed date to get his/her doubts cleared if he/she desires. He/She may also contact the office of the designated **Executive Engineer, Kakdwip Irrigation Division**, in between 11.30 hours to 16.30 hours on any working day, prior to the date of actual submission of e-bid in the e-tender.

14. Conditional and incomplete tender

Conditional and incomplete tenders are liable to be summary rejected. No off-line document will be entertained until completion of e-Tender process by way of acceptance of L1 bid by the competent Tender Accepting Authority/Government.

15. Opening and evaluation of tender

15.1 Opening of a Technical Proposal

- i. Technical proposal will be opened by the Tender Inviting Authority or his/her authorised representative/s electronically in the official website stated earlier, using their authorised valid Digital Signature Certificate/s (DSC).
- ii. Intending contractors/bidders may remain present if they so desire.
- iii. Technical cover documents (vide Clause 4.2.A) will be opened /decrypted first and if found in order, Cover (Folder) for OID (vide Clause 4.2.B) will be opened/decrypted. If there is any deficiency in either of the Technical cover documents, the bidder may be summarily disqualified and rejected.
- iv. Decrypted (transformed into readable format) documents of the Pre-Qualification Technical cover and the OID (Other Important Document) Cover will be decrypted/downloaded and handed over the decrypted bid documents in soft and hard copies to the designated Tender Evaluation Committee.
- v. Procedure to be followed for opening of a 'Financial bid' is explained later under clause 15.5 of e-NIT

15.2 Bid/Tender Evaluation Committee

Committees constituted from time to time by the Government in the Irrigation & Waterways Department for evaluation of Technical proposals of the contractors/bidders for e-tenders will function as Tender Evaluation Committee (HTEC/TEC/QBEC/DTTC etc.).

15.3 Uploading of list of technically qualified contractors / bidders in the web portal/s

- i. After electronically decrypting on the designated date and time the e-bids received, all the bids will be admitted for downloading of documents without verification by the TIA and placed before the HTEC/TEC for evaluation. The bidders shall receive an automated message through e-mail/text message that their bids have been decrypted. The HTEC/TEC shall within a minimum of 2(Two) working day scrutinise the bids and Technical Bid opening Summary sheet (TBO) shall be uploaded by TIA pursuant to preliminary scrutiny and decision of the Tender Evaluation Committee (HTEC/TEC) with reasons for preliminary rejection, and preliminary list of eligible bidders/ contractors for a particular serial of work whose Technical proposal have been considered for uploading in the web portal/s by the HTEC/TEC.
- ii. While evaluating, the HTEC/TEC may, if they so desire, summon the contractors/bidders and seek further clarification/information or seek verifications of original hard copy of any of/all the documents already submitted on-line, and if these cannot be produced within stipulated timeframe, their bids will be liable for rejection.
- iii. **Sometimes it is seen that tenders are being rejected in technical bid pre-qualification stage due to minor clerical/rectifiable deficiencies in the uploaded documents of the bidders. In such cases:**
 - a) **The tender inviting authority may give an opportunity to the bidders whose technical bids are found defective due to minor clerical mistakes/ rectifiable deficiencies to explain their position within 7 working days through e-mail.**
 - b) **And after receiving the clarification on deficiency, the TIA may take appropriate decision on the admission of the bid considering the merit of the case.**

15.4 Process of Technical Evaluation during tender

Within 24 hours of uploading the TBO summary sheet containing Preliminary Technical Qualification result, any of the aggrieved bidder, may seek clarification / redress / review from the HTEC/TEC on the list of bidders, in writing/through e-mail with supporting facts / figures / documents. If such clarification /review relates to eligibility of other bidders, on the grounds of submission of false/ forged / manipulated / inappropriate credentials, modalities prescribed in the Departmental Notification shall be followed. In case, the review only seeks the eligibility of the applicant himself, views of the Tender Evaluation Committee (HTEC/TEC) would be communicated in writing to that bidder within next two (2) working days. If the bidder is not satisfied with the clarification of the TEC, he/she may appeal to the concerned Chief Engineer within 24 hours of receipt of communication from the TEC. The concerned Chief Engineer will dispose such complaints jointly, in associated with at least another available Chief Engineer within next 2 working days. Thereafter final Technical Evaluation Sheet (TBE) of the technically qualified bidders would be uploaded, after incorporating modifications if required. The TIA shall while uploading the final TBE summary sheet accept or reject electronically the admitted bids based on the advice of HTEC/TEC as per TBE summary sheet. Thus at this stage the rejected bidders will get back their EMD. e-mail communication in official e-mail address of TIA or TAA shall be treated as a valid mode

of communication. The minimum time period from date of TBO summary sheet uploading and TBE summary sheet uploading shall be 4 working days or more. However, this time period may be curtailed if no clarification/review by any of the bidders within 24 hours of uploading the TBO sheet.

Power is delegated to HTEC to verify the authenticity of bid documents by physically summoning the applicant bidder on the basis of specific doubts which could not be cleared, which shall be exercised in exceptional cases, offline verification before issue of LOA needs to be avoided. Only when all other methods of undertaking verification have been exhausted, and there is ample reason to believe that fairness of the technical bid evaluation of the tender cannot be ensured without such action. Prima-facie, if there is not enough reason to doubt the authenticity of the bid documents, physical summon of the bidder shall be avoided, as after determination of L1 bid in financial bidding and before issuance of LOA, all the on-line documents would be verified with the originals by the Accounts & estimating branches of the designated Executive Engineer, and reported to the Tender Accepting Authority prior to the issuance of LOA.

15.5 Opening and Evaluation of Financial Proposal/bid

- i. Financial proposals of the bidders/contractors declared technically qualified by the Tender Evaluation Committee (HTEC/TEC) will be opened electronically by the Tender Inviting Authority in the web portal stated above on the pre-notified date and time.
- ii. The encrypted copies will be decrypted and the rates will be read out to the contractors/ bidders remaining present at that time, else they may login their respective e-tender accounts to see the (CS) comparative statement in the web portal.
- iii. After opening the financial proposal, the preliminary summary result containing inter-alia the names of contractors/bidders and the rates quoted by them will be uploaded and the result will be made available in the e-tender web platform.
- iv. If the Tender Accepting Authority (TAA) is satisfied that the rate obtained is fair and reasonable and there is no scope of further lowering down of rate, he/she may after having the comparative statement test checked by the Divisional Accountant / Divisional Accounts Officer attached to the office of the concerned Executive Engineer and after their acceptance by the Tender Acceptance Authority (TAA) instruct the Tender Inviting Authority to upload the financial bid evaluation summary as result containing the name of contractors/bidders and the rates quoted by them against each work.
- v. If there is any scope for lowering down of rate in the opinion of the Tender Accepting Authority being abnormally high, i. e above 10% of the amount put to tender (Tender value), the e-NIT shall be cancelled and invited afresh 2nd or even 3rd re-tender.
- vi. If there is no contractor/bidder or the number of contractors / bidders in the 1st tender is less than three even after extension of last date for bid submission, the e-tender has to be cancelled. In case of participation of more than three bidders, if the number of technically qualified bidder falls below three even after extension of last date for bid submission, the tender/e-NIT is to be cancelled as well and fresh e-tender vis-a-vis 2nd call e-Tender or even 3rd call e-Tender may be invited by suitably lowering of minimum eligibility PQ criteria (work & financial) for bidders with wide publicity of Re-tender notices through electronic and print media.
- vii. Final result after acceptance of the rate by the Tender Accepting Authority, if within the delegated power of acceptance would have to be uploaded in the e-Procurement platform. Otherwise, the matter may be referred to the Government Appointed DTC and the appropriate Government for decision.
- viii. The Tender Accepting Authority may ask the L1 bidder/contractor to submit **analysis of rates** to justify the rate quoted by that bidder after declaration of financial bid evaluation result.
- ix. If the lowest (L1) bidder/contractor backs out there should be Re-tendering in a transparent and fair manner. In such a situation the TIA would call for re-tender with bid submission time period should normally be 21 days for value above Rs. 100.00 lakh, and 14 days for value exceeding Rs. 10.00 lakh but upto Rs. 100.00 lakh.

15.6 Procedure to be followed for final acceptance of tender & Award of Contract.

- i. The lowest (L1) financial bid for all works tenders is accepted as a rule. If for any reason the lowest (L1) bid is not accepted, reference is to be made to the appropriate Government for orders as to which of the contractor /bidder the work should be awarded.
- ii. Maximum 5 % excess beyond the 'Tender Value' (Amount put to Tender) may be accepted as per delegated power to the Superintending Engineer up to Rs 2.50 crore, **and at least three valid bids have been received in the financial bid stage, provided tender value after abatement is within the technically sanctioned estimated cost and also budget provision inter alia the administratively approved cost.** Maximum 5 % excess beyond the 'Tender Value' (Amount put to Tender) may be accepted above tenders of value beyond Rs 2.50 crore with the recommendation of DTC by the Chief Engineer if at least three valid bids have been received in the financial bid stage. **In case of 5% excess over 'Tender Value' administratively approved amount or the sanctioned estimated cost is exceeded,**

proposal for revised administrative approval would have to be submitted to the Government, and acceptance of tender and issue of work order would be kept pending for want of revised administrative approval and Revised Financial sanction from the competent Government.

- iv. Above 5% and up to 10% of the Tender Value can be recommended to the Government in the Irrigation & Waterways Department for acceptance only **under exceptional circumstances** where the Departmental Tender Committee (DTC) is of the opinion that there is little or no scope of getting lower bids in further calls even with shorter notice period subject to the conditions that valid technically qualified bids should not be less than three and L1 bid is processed for acceptance and tendered amount is within the sanctioned estimate or administratively approved cost. **In case of excess over administratively approved amount, revised administrative approval would have to be submitted to the Department, and acceptance of tender and issue of work order may be kept pending for want of Revised Administrative Approval and Revised Financial sanction from the competent Government. Exceptional circumstances** to be justified for recommending higher rates i.e beyond 5% which shall be placed on record by the TIA, TAA & the DTC.
- v. If the response to an e-Tender is less than three, then Tender should be invited afresh. Such Re-Tender notice shall be published in widely circulated dailies as per guidelines and also through e-Tender web portals. Prior to invitation of Re-Tender / fresh e-Tender, the eligibility criteria and other terms & conditions as contained in the first 'Notice Inviting e-Tender' (e-NIT) shall have to be lowered/relaxed by the Tender Inviting Authority, to ascertain whether (i) it was too much restrictive, say, specifications and qualifications were fixed at higher standards than required, (ii) advertisements in the widely circulated Newspapers were properly published and (iii) other related procedural matters were observed in its entirety.
- vi. If the number of valid bids received in 2nd call upto tender value of Rs 10 crore is less than three, it should be referred by the TIA to the DTC for verification on compliance of tender norms and procedure as per extant rules for recommendation to the Irrigation & Waterways Department for acceptance, provided L1 bid is **within 5%** above the amount put to tender. Above Rs 10 crore tender value or **beyond 5% bid price** over tender value is to be referred to the Government in the Irrigation & Waterways Department and thereafter to the Finance Department along with the recommendation of the DTC for decision in accordance with Finance Department Memorandum No.2320-F(Y) dated 7.6.2022.
- vii It may be noted where ever more than one L1 bids are received in any tender, sealed bids may be invited from all the L1 bidders and out of those lowest one may be selected in terms of FD Memorandum No.2320-F(Y) dated 7.6.2022 as detailed below:
Keeping the discovered L1 rate as ceiling, sealed bids may be invited from all the L1 bidders and out of those the lowest one may be selected.
If none of the L1 bidders is ready to offer further reduced rates:
 - A. For items divisible in nature –
 - i) The work may be distributed equally among the consenting L1 bidders.
 - ii) If none of the L1 bidders is ready to accept reduced quantity, the bidder with higher credential based on the following parameters, may be selected among L1 bidders in the following manner:
 - a. In case of supply of goods, last three years average turnover of the bidder shall be considered.
 - b. In case of execution of work/ supply of service, value of single work/ service of similar nature completed during last 3 years shall be considered.
 - c. In case of supply of man power, number of personnel supplied in a single contract during the last 3 years shall be considered.
 - B. For items not divisible in nature-
 - i. If none of the L1 bidder is ready to offer further reduction of rates, the bidder with higher credential based on parameters, as mentioned in A (ii) above may be selected among L1 bidders.

16. General guidelines for acceptance of e-Tender

Lowest valid rate should be accepted in accordance with the procedure laid down in clause 15.6.

17. Tender Accepting Authority*

As per delegation of power for tender acceptance, competent accepting authorities for different values of tenders is stated below, provided at least three valid bids are received in the financial bidding stage of the tender/Re-tender:

*Procedure to be followed in terms of Finance Department Notifications on delegation of powers for acceptance applicable at the time of bid acceptance. F.D Order No. 30-F(Y) dated 05.1.2021, No.2320-F(Y) Dated- 07.06.2022 may be strictly followed, where DTC has been constituted as per I&WD's No.09-W/2021-22 Dated- 07.10.2021 read with I&WD No. 384-IB dated 24.1.2022.

18. Signing of formal tender contract/agreement after acceptance of e-tender

The contractor/bidder, whose bid is approved for acceptance, shall within 15 days of the receipt of Letter of Invitation (LOI) or Letter of Acceptance (LOA) in his / her favour, will have to execute a 'Formal Agreement' with the Engineer-in-Charge in quadruplicate in W.B.F. 2911 and all other contract documents, entire set of which may be obtained free of cost from the office of the designated **Executive Engineer, Kakdwip Irrigation Division**, in-charge of the work

tendered.

If the selected L1 bidder fails to turn up even after 30 days after the initial 15 days from the date of uploading of the AOC in the e-Procurement portal or the despatch date of official communication for signing of the Contract/Agreement, the selected bidder is liable for penal actions which shall comprise blacklisting, debarring from future participation in Government tenders, immediate forfeiture of the Earnest Money deposited in the tender, other penal actions as stipulated under clause 10 & 11 of the e-NIT, the Departmental Notification and also contained in W.B Form No. 2911/ Agreement.

19. Payment against bills raised by the contractor

Periodic Tax invoice/bills containing bidders GSTIN & other details needs to be submitted by the supplier/contractor to the DDO for raising claims for receiving payments of work executed under this contract /upon achieving physical Milestones clearly showing separately the Tax charged in accordance with the provisions of the GST Act, 2017.

The payment of Running Account as well as final bill for any work based on progress and performance will be made according to availability of fund and no claim due to delay in payment will be entertained.

20. No cost escalation in any form is included in the Tender Contract Agreement.

21. Bid validity

The Bid will be normally valid for **120 days** from the date of opening of the financial proposal. However, extension of bid validity may be suitably considered by the Tender Inviting Authority, if required, subject to written confirmation of the contractor/bidder (s) to that effect.

22. Physical Milestones & Work Programme:

The time allowed for carrying out the work as entered in the tender shall be strictly observed by the contractor, and which shall be reckoned from the date on which the order to commence work is given to the contractor. The work shall throughout the stipulated period of the contract be proceeded with all due diligence. Time being deemed to be the essence of contract on the part of the contractor; the contractor shall be bound in all cases, to achieve the 'Milestones' as specified in this NIT into various 'Identifiable and quantifiable construction related stages' pertaining to the work. For all works the contractor within 15 days of receipt of Letter of Acceptance shall submit a work programme commensurate with period of construction in the form of a Bar Chart of uploaded work programme, stating the timeline of such different Milestones. Such timeline may be extended by another 15 days, in consideration of merit of such extension to be prayed by the contractor and failing this time limit will attract penal action by the TAA in accordance with provision of Para 11.D.x. In the event of the contractor failing to comply with any of the conditions related to achieving the 'Milestones' within the specified time period prescribed for such 'Milestone' plus one month, he/she shall be liable to pay compensation.

If the contractor fails to commence and/or maintain required progress over the total time allotted for its full completion and fails to complete the work and clear the site on or before the end of contract period or extended date of completion, he/she shall, without prejudice to any other rights or remedy available under the law on account of such breach, pay as agreed compensation to the implementing Department. This will also apply to items or group of items for which a separate period of completion has been specified. The bidder is required to digitally sign and upload the work programme in the form of Bar Chart or otherwise in the '**Declaration**' folder during bid submission for all works tenders.

23. Withdrawal of bid in a Tender

Withdrawal of e-Tender once the bid has been submitted online and after passing of end date for submission and has been accepted for further processing, is not allowed. EMD will be forfeited by the Government and the L1 bidder/contractor penalised in terms of clause 9 referred earlier would be applicable.

24. Modification of standard e-NIT format for works of tender value above Rs. 50.00 crore

For e-tenders beyond amount put to tender values of Rs. 50.00 crore, the instant standard e-NIT format may be judiciously modified by the concerned Chief Engineer with the approval of Government Appointed Departmental Tender Committee (DTC), provided such modifications shall in no way and manner be in contrary to the orders and spirit of guidelines and orders of the I & W Department and that of the Finance Department, GoWB.

Special Terms & Conditions of the contract (SCC)

1. The Executive Engineer of the concerned Division shall be the Engineer-in-Charge in respect of the works contract and all correspondence concerning rates, claims, change in specifications and/or design and similar important matters will be valid only if accepted/recommended by the Engineer-in-Charge. If any correspondence of above tender is made with Officers other than the Engineer-in-charge for speedy execution of works, the same will not be valid unless copies are sent to the Engineer-in-Charge and also approved by him/her. Instructions given by the Sub-Divisional Officer/Assistant Engineer and the Junior Engineer/Section Officer (SO) on behalf of the Engineer-in-Charge shall also be valid (who have been authorized to carry out the work on behalf of the Engineer-in-Charge) regarding specification, supervision, approval of materials and workmanship. In case of dispute relating to specifications and work, the decision of Engineer-in-Charge shall be final and binding. The Engineer-in-Charge will however take all decisions relating to works contract only after recommendation/ advice of the Tender Accepting Authority. If there is more than one Executive Engineer assigned for the tender, the Chief Engineer would designate the Engineer-in-Charge for the work.
2. Acceptance of the tender including the right to distribute the work between two or amongst more than two bidders with same L1 rates will rest with the Tender Accepting Authority without assigning reason thereof to any of the bidders. The tender accepting authority reserves the right to reject any or all tenders without assigning sufficient justification thereof to the bidder/contractor. No additional or excess work or additional items of work beyond the tendered amount would be generally allowed. All excess, supplementary or substitute supplementary items of work, if unavoidable are to be accepted by the Tender Accepting Authority only if the total value of work on completion is within the tendered amount. The exiting contract would be terminated after achieving work up to tendered cost (gross value) and balance work would be taken up afresh after fresh sanction and new tender, except in very exceptional cases in the interest of public services, in rare & special cases under specific approval of the Government.
Note: It may be noted where ever more than one L1 bids are received in any tender, sealed bids may be invited from all the L1 bidders and out of those lowest one may be selected in terms of FD Memorandum No.2320-F(Y) dated 7.6.2022 as detailed under clause 15.6 in the GCC.
The Contractor/bidder shall have to comply with the provisions of (a) Contract Labour (Regulation & Abolition) Rules, 1970 including its revisions (b) Minimum Wages Act 1948 and the modification thereof or any other laws relating thereto as will be in force from time to time.
3. Engineer-in-Charge shall not entertain any claim whatsoever from the contractor for payment of compensation on account of idle labour on such grounds including non-possession of encumbrance free land. Escalation of cost due to inflationary effects or any other reason is not permitted during construction period or extended time period of contract.
4. Engineer-in-Charge shall not be held liable for any compensation due to machines & equipments becoming idle or any circumstances including untimely rains, other natural calamities, strikes etc.
5. All statutory taxes, viz. GST / labour welfare cess, labour insurance etc or revision of taxation rates even after AOC or commencement and before final completion of the work are to be borne by the contractor/bidder. Original tax invoice/challan or bill of those materials, which are procured by the bidder, may be asked to be submitted for verification if required.

While quoting their rate(s), Bidder are requested to consider all taxes, Royalty, cess and other expenses including other ensuing notification of Central / State Government Taxes,if any.
9. All working tools & plants, scaffolding, construction of vats & platforms and arrangement of Labour Camps will have to be arranged by the contractor at his/her own cost. The contractor shall clear the site of work and restore all damages made due to the Labour camp, erection of yards and godowns, stores etc within 30 days of completion of work.
10. The contractor shall supply mazdoors, bamboos, ropes, pegs, flags T&P, Machineries and equipments etc. for laying out the work and for taking and checking measurements for which no extra payment will be made.
11. The contractor/bidder should see the site of works and tender documents, drawings etc. before submitting tender and satisfy himself/herself regarding the condition and nature of works and ascertain difficulties that might be encountered in executing the work, carrying materials to the site of work, availability of drinking water and other human requirements & security etc. Work on river banks may be interrupted due to a number of unforeseen reasons e.g. sudden rise in water

levels, inundation during flood, inaccessibility of working site for carriage of materials. Engineer-in Charge may order the contractor to suspend work that may be subjected to damage by climate conditions. No claim will be entertained on this account. There may be variation in alignment, height of embankment or depth of cutting, location of revetment, structures etc. due to change of topography, river condition and local requirements etc. between the preparation and execution of the scheme for which the tendered rate and contract will not stand invalid. The contractor will not be entitled to any claim or extra rate on any of these accounts.

12. A machine page numbered Site Order book (with triplicate copy) will have to be maintained at site by the contractor and the same has got to be issued from the Engineer-in-Charge before commencement of work. Instructions given by inspecting officers not below the rank of Assistant Engineer will be recorded in this book and the contractor must note down the action to be taken by him in this connection as quickly as possible.
13. The contractor shall be bound to comply with all the Central & State Pollution Control Acts & Rules during entire construction period.
14. All possible precautions should be taken for the safety of the people and work force deployed at worksite as per safety rule in force. Contractor will remain responsible for his labour in respect of his liabilities under the Workmen's Compensation Act etc. He must deal with such cases as promptly as possible. Proper road signs as per P.W.D. practice will have to be erected by the contractor at his own cost while operating public thoroughfares. Also, display boards containing brief description and name of project with completion target dates shall be erected at a prominent location at the work site by the contractor for public awareness. Insurance of workers and materials is the responsibility of the bidder during entire construction period.
15. The contractor will have to maintain qualified technical employees and/or Apprentices at site as per prevailing Apprentice Act or as stipulated in the contract. No compensation for establishment charge will be entertained.
16. The contractor will have to accept the work programme as per modifications and priority of work fixed by the Engineer-in-Charge so that most vulnerable reach and/or vulnerable stretch is completed before impending monsoon or rise in river flood water level or commencement of canal irrigation water release or for other suitable reasons.
17. Quantities of different items of work mentioned in the departmental tender schedule/BOQ or in work order are only tentative. In actual work, these may vary considerably. Payment will be made on the basis of works actually completed in different items as per specifications and codes, and no additional claim will be entertained for reduction of quantities in some items or for omission of some items. For execution of any additional item or supplementary works within the tendered value with the total completion value remaining within the accepted tendered cost, approval of the Tender Accepting Authority/Government in the Irrigation & Waterways Department would be required.
18. In order to cope with the present system of e-pradan billing, departmental supply of construction materials is discouraged. However, Departmental materials may be issued to the contractor/ bidder to the extent of requirements as assessed and following accounts procedure in the Treasury system of bill payment and in instalments as decided by the Engineer-in-Charge.
19. Issue of materials may be of three categories.
 - a) Materials issued directly to the work and subject to recovery.
 - b) Materials issued from departmental go down and subject to recovery.
 - c) Materials issued free of cost.

Decision of the Engineer-in-Charge should be final and binding in this regard. He also stands solely responsible for reconciliation of accounts, if materials are issued to the contractor.

20. Any materials brought to site by the contractor subject to approval of the Engineer-in-Charge. The rejected materials must be removed by the contractor from the site at his own cost within 48 hours of issue of the order to that effect. The rates in the schedule are inclusive of cost and carriage of all materials to worksite. The materials will have to be supplied in phase with due intimation to the Sub-Divisional Officer/Assistant Engineer concerned in conformity with the progress of the work. For special type of materials, i.e. Geo Synthetic Bags, HDPE Bags, Geo Textile Filter, Geo jute Filter etc. if any, relevant Data Sheet containing the name of the Manufacturers, Test Report etc. will also be submitted in each occasion. Engineer-in-Charge may conduct independent test on the samples drawn randomly before according approval for using the materials at site. In this regard decision of Engineer-in-Charge shall be final and binding.
21. For materials under category 19(a),(b)&(c), the contractor will act as the custodian thereof. The materials will have to be carried from the nearest Departmental go-down to worksite by the contractor at his own cost. The contractor shall remain responsible for the proper storage and safety of the materials. Suitable Go-down/ Store shall have to be made by the contractor at his/her own cost. Penalty charges shall be levied at higher rate for loss, wastage, misuse. Surplus materials of the departmental if any, shall have to be returned to the issuing Go-down or store at the contractor's cost within the time frame as fixed by Engineer-in-Charge, otherwise, the cost at penal rate will be recovered from the bill. Indent for departmental materials shall be submitted by the contractor to the AE/S.D.O. at least 7 days in advance of actual requirement. No claim will be entertained for non-issuance of such materials in time but reasonable extension of time will be granted. All materials, whatever be the category thereof, shall be properly stored by the contractor in suitable go downs near the site of work at his own cost & under no circumstances whatsoever shall any material be removed from the site of work without prior written permission of the Engineer-in-Charge. The contractor shall be responsible for any damage, wastage or loss of such materials.
22. The contractor shall also have to satisfy the Engineer-in-Charge regarding the proper utilization of materials which have

been issued departmentally.

23. Value of the material, under category (a) & (b) of clause 19, will be recovered from the bills of the contractor in one or successive instalments as may be decided by the Engineer-in-Charge.
24. Requisite quantity of cement as may be required for the work will be supplied from the nearest Departmental go down if stock permits. The issue rate of cement is shown in the Schedule of materials attached. Any excess consumption of cement by more than 5% over the final consumption statement drawn up as per consumption rate specified in the Schedule will be recovered at a penal rate shown in schedule.
25. Reinforcement steel rods/MS sheet piles/bitumen will be issued if stock permits, from the nearest departmental go-down where such material is available in marketable length/quantities. While issuing the same, for any particular work the quantity actually required as per approved drawing shall only be issued. While executing the work, it will be responsibility of the Contractor/bidder as well as the Engineer-in-Charge to get this quantity properly utilized in the work. Cut pieces, if any will not be taken back by the Department. Recovery for the total quantum of steel issued will be made at the issue rate shown in the Schedule below. In case of misuse over +10%, deduction will be made at a penal rate shown in the Schedule below. This whole principle shall apply in case of other M.S materials like sheet piles and structural steel members as well.
26. The work is to be executed strictly as per specification attached with e-NIT and shall confirm relevant Indian Standard Codal provisions and good industry practice. In the absence of any such provision in some items, the tending authority reserves the right to adopt suitable International Code/specifications/standards.
27. All queries and disputes arising out of the works contract during construction phase are to be brought to the notice of the Chairman of the 'Department Dispute Redressal Committee' in writing for decision within 15 days.
28. Contractor(s) should have to ensure the mandatory engagement of job card holders as unskilled workers for execution of awarded work, in order to implement the "Karmashree" Scheme launched by the State Government. They also have to submit periodic statement on such engagement to the Engineer-In-Charge in the prescribed format as per Memorandum No. 20-IW/2024-25 dated 19.07.2024 of I. & WD, Govt. of West Bengal.
29. SCHEDULE OF RECOVERY RATES OF DEPARTMENTALLY SUPPLIED CONSTRUCTION MATERIALS

Additional Terms and Conditions for Qualification Criteria

Name of Work: Dredging before Ganga Sagar Mela' 2026 in Muriganga river in connection with "Dredging in river Muriganga in PSs Kakdwip & Sagar, District South 24 Parganas". (Reference: Serial No-01 of 'list of works' of this e-NIT No.-WBIW/SE/EC/NIT- 06(e)/2025-26)

1. The bidder should own in his / her name, for Sl. No. (1): minimum 05 (Five) nos. of Diesel driven Cutter Suction Dredgers (with all accessories) having combined rated pumping capacity of 2000 Cum of solids per hour (for Sl. No.-1 of the List of Work of this e-NIT). The accessories should also include pipeline, with necessary floaters, of not less than 500 m length along with each dredger for disposal of the dredged materials in the low pockets or in the designated dykes as the case may be. Rated pumping capacity will be determined from brochure of the company manufacturing CSD, however, for refurbished CSD, the same shall be determined from the certificate of the authorised Surveyor. However, the aforesaid minimum 05 (Five) nos. of Diesel driven Cutter Suction Dredgers (with all accessories) may be considered as 04 (Four) in case the bidder procure at least 01 (One) dredger of the above specifications for the tendered work, in which case, Bidder shall submit original MOU with the manufacturer / supplier / seller of the dredger on Indian Stamp Paper duly notarized by indicating that the dredger will be delivered within the scheduled date of commencement of work. Further the bidder shall submit an undertaking that, in case of delay in deployment of the above CSDs mentioned in the MOU, they will deploy equivalent CSDs at respective dredging areas within the scheduled date of commencement, failing which the Earnest Money and Performance Security as the case may be will be forfeited.
2. The proof of Ownership possessing the dredger with pipeline, both in good condition, have to be furnished with the tender, else it shall be treated as non-responsive tender. The TIA/HTEC will have the right to verify the genuineness of the documents besides verifying whether the dredgers are readily available for mobilization within a short period (around 15 days) to work at the site. If required, the TIA/HTEC will visit the site to check/inspect whether the dredgers are readily available in workable condition for further deployment. A detailed deployment schedule of the dredgers and the Methods Statement for the dredging operation along with the target volume proposed to be dredged on weekly basis is required to be submitted in **Form-A** appended herewith which should be uploaded in "Certificates" category under OID Cover Folder.
3. The Bidder must submit the technical specification of the offered dredgers along with the tender as per **Form-B** appended herewith. The necessary details of each of the dredger which must include the type, size, make, rated pumping capacity, available pumping capacity & the year of procurement for the work as per **Form-B**, PDF file of which stated here shall have to be submitted as in "Certificates" category under the OID Cover folder.
4. The dredgers must be registered as 'Dredger' under Inland Vessel Act, 2021 or under Merchant Shipping Act, 1958 and must have valid registration certificate from the designated authority under Inland Vessel Act, 2021 or MMD under Merchant Shipping Act, 1958. PDF file of such Registration Certificate shall have to be submitted as in "Certificates" category under the OID Cover folder.
5. The dredgers must have Survey Certificates from the designated authority under Inland Vessel Act, 2021 or MMD under Merchant Shipping Act, 1958. Valid Survey Report by an Indian Register of Shipping (IRS) or any

other classification society will also be considered valid. PDF file of such Survey Certificate shall have to be submitted as in "Certificates" category under the OID Cover folder.

6. Similarity of work shall be considered as the dredging operation done in tidal rivers and estuary having tidal fluctuation with the assistance of suitable cutter suction dredger along with the disposal of the dredged materials by pipeline up to a distance of at least 500 M. To meet the quantitative requirement of PQ credential of similar work, minimum volume of dredged material as mentioned in Sl. No. A(ii)(c) under col.8 of the List of Work of this e-NIT will be considered besides other requirements detailed therein. The Major Item under similar nature of work in this e-NIT, is defined as: Dredging work undertaken by Cutter Suction Dredger (CSD) in tidal rivers and estuary having tidal fluctuation along with disposal of dredged materials by pipeline up to a distance of at least 500 metres.
7. Bidder must furnish the documents of Gross Annual Turnover for immediately preceding 7 FYs out of which average of any 3 FYs will be considered for Average Gross Annual Turnover as criteria for financial eligibility.
8. In case the bidder is not in a position to submit the audited balance sheet for the last financial year, i.e., 2024-25, he/she needs to submit a self-declaration to that effect. In such a case, the financial year 2023-24 shall be considered as Year-1.
9. Multiplying factor to arrive at gross notional amount of the PQ credential for 6th/7th years preceding the current financial year should be considered same as that mentioned against "5 years preceding the current financial year" in the table under Sl. No. 7.I.(a) of the General Terms & Conditions of contract of the e-NIT.
10. To ensure participation of resourceful bidders having expertise in dredging for this type of project which absolutely cannot afford any time overrun in view of internationally acclaimed religious fair going to be held at a fixed time in January' 2026, the following technical and financial criteria for selection, will be adopted:
 - (a) Minimum Gross Monetary value of similar nature of work as mentioned in Col. 8 of the List of Work of this e-NIT is 40% of amount put to tender.
 - (b) Minimum gross notional value of Major Item as mentioned in Col. 8 of List of Work of this e-NIT is 50% of corresponding value of Major Item mentioned in respective BOQ of this e-NIT.
 - (c) Minimum volume of dredging by cutter suction dredger, as mentioned in Sl. No. 6 above and also as mentioned in Col. 8 of List of Work of this e-NIT is 50% of corresponding volume of Major Item mentioned in respective BOQ of this e-NIT.
 - (d) Average Annual Turnover as mentioned (under Sl. No. 7&8 above) is 50% of the amount put to tender for this e-NIT.
 - (e) Credential criteria of each individual Member/individual Company of a Joint Venture/Consortium, should be considered as per the percentage (%) participation of that individual Member/individual Company mentioned in the respective Joint Venture/Consortium agreement, if such bidder(s) claim PQ Credential in the name of Joint Venture/Consortium in which he/she participated as individual Member / individual Company.
11. Payment for the dredged quantity will be made on the basis of Pre-work and post-work level in Channel -I, Channel-III, Channel -2A and Channel -3A. Wherever Channel -2A is mentioned, it includes its extended portion also. After achieving post-work level as per desired cross-section for the entire channels, the Contractor has to maintain the designed channel sections till completion of Ganga Sagar Mela'2026 (tentatively 18.01.2026) at his own cost. For guidance of the bidder, it is stated that the average siltation rate may be taken as 0.075 m/N-N to 0.10 m/N-N (neap to neap cycle of 14 days) and over a long period it is 1200 mm per year or 100 mm per month. However, the bidders are advised to make his own assessment before

quoting their rate. No payment will be made for cutting beyond design section. [Ref. Cl. 17 & 26 of Special Terms and Conditions of the Contract (SCC)] of this e-NIT.

12. (i) Automated survey for pre-work level, post-work level and marking of channels will be taken up with the help of boat, echo-sounder, interfaced with hydrographic software such as HIPAC or similar type of software as may be agreed upon by the Client and the Contractor and differential global positioning fixing system for which no extra payment will be made.
(ii) Price quoted by the bidder will also include cost of marking of Channel-I & Channel-III and Channel -2A & Channel -3A [Ref. Cl. No.10 of the Special Terms and Conditions of the Contract (SCC) and Note-3 mentioned under 'List of Works' of this e-NIT].
(iii) Successful bidder will have to establish survey camp office within 8 km radius of site equipped with necessary computer gadgets supported with effective internet connectivity before actual dredging operation starts. Chart drawings will have to be prepared daily basis using HIPAC or similar type of software against bathymetry survey by using ADCP/echo-sounder to be conducted every day during dredging operation and also during maintenance period. Survey camp office should be manned by adequately trained personnel to ensure bathymetry survey by using ADCP/echo-sounder is conducted every day with precision and corresponding chart drawing is handed over to the client on the same day. Contractor has to bear all costs for establishment of survey camp office with all required machineries, electronic gadgets, software and hardware, furniture, human resources etc.
13. The successful bidder shall supply, operate, maintain and manage Cutter Suction Dredgers (CSD) of specified cumulative minimum capacity and number along with their allied vessels and undertake dredging for developing navigation channel. Dredgers must be capable of working in tidal river.
14. All dredged materials shall be dumped within the limits of the specified disposal areas (shore dumping or deep-water dumping). The Contractor shall ensure that no dredged material is dumped in the navigational channel due to defect of the dredger or for any reason. In the event of accidental dumping, the contractor shall remove the material immediately at his own cost and risk.
15. The guaranteed depth of 1.52 m below chart datum (CD) will be required to be maintained simultaneously throughout the navigational channels -Channel I & III and Channel 2A & 3A specified in the tendered documents.
16. This is to be mentioned that if dredging is required to be carried out at night time, proper arrangement for lighting and security are to be made by the contractor.
17. After obtaining LOA, the contractor shall submit a detailed work plan within 07 days agreeing to the timelines for dredging activities and other miscellaneous activities to the Engineer-in-Charge for approval.
18. The Contractor, in the course of the work, after deliberations with the Engineer-in-Charge shall agree and incorporate the necessary changes in dredging and navigational activities in view of the completion of the work in schedule time.
19. The Contractor shall have to install temporary channel markers to establish dredging boundaries at his own cost.
20. The dredging quantity will be measured based on joint pre-dredged and post-dredged surveys arranged by the Contractor at his own cost.
21. The Contractor shall mobilize all the dredgers, allied vessels, equipment and manpower at site within maximum 15 days from the date of Letter of Acceptance (LOA) of the work or as may be prescribed in the LOA. The Contractor is required to mobilize the desired equipment and manpower within this time frame to start the dredging operations in full capacity.
22. The contractor has to maintain the compiled daily dredging log showing date of dredging, dredged area, start and stop times of dredging operations.

23. The specified minimum nos. of dredgers with all accessories, vessels and equipment as stipulated shall be deployed at the site during the dredging operation.
24. I&WD may ask the Contractor to replace the dredger or any other vessel / equipment during operation, if desired output is not achieved. The replacement shall be done within such period as may be prescribed by the Engineer-in-Charge, but not more than 07 days.
25. The cost related to the dredging, Channel marking, surveying and other cost incidental thereto including the operation of the vessels shall be borne by the contractor.
26. The contractor shall be responsible for maintenance and safety of his machines and equipment.
27. The contractor may execute the dredging work on all days subject to restriction as may be imposed by State Govt /local administration.
28. Manpower with requisite competency certificate, qualification and experience is to be deployed by the contractor with prior approval of the Engineer- in-Charge and any change in manpower subsequently will be done on approval of the Engineer- in-Charge.
29. No mobilization/de- mobilization charge will be paid separately.
30. The intending bidders are expected to visit sites and satisfy themselves on the actual site condition, soil to be dredged and the areas identified for disposal of the dredged materials before tendering. Whatever information given in the tendered documents is only intended as a general guidance for the contractors.
31. It may be noted that the dredging operations have to be carried out in strong tidal effect in and around the dredging areas. The contractor should mobilize suitable dredger to work in such condition. The dredgers shall be highly manoeuvrable for working safely around jetties and other structures and under the high tidal currents with all gazettes and instruments for effective dredging.
32. If any equipment (floating or otherwise) belonging to the Contractor, during dredging operation, sink from any cause whatsoever, it shall be immediately reported by the Contractor to the Engineer in charge and Contractor shall forthwith at his own cost raise and remove any such equipment, material or things or otherwise deal with the same as directed by the Engineer in charge.
33. Joint venture and / or consortium and / or sub-contractors are not allowed.
34. The offered CSDs should be of less than 15 years age as on the due date of submission of bid.
35. In case of any contradiction observed in WB Form No. 2911 or e-NIT, the above Additional Terms & Conditions for Qualification shall prevail.
36. Notwithstanding anything mentioned anywhere in the Clauses of this Notice Inviting Tender, agreement and attached documents, the Contractor shall have to complete the required dredging work in all respect by **31.12.2025**. [Ref. Cl. No. 10 of Additional Terms and Conditions for Qualification Criteria].
