MemoNo-1399

Date-18.11.2025

Name of the Work:-Topographical survey Work along with other necessary allied works for the Approach Road way to Khairabera Dam starting from Koreng More (Existing Bituminous Road)for a length of 2.49 Km in C/W widening of existing Road at Block+P.S- Baghmundi, Dist.- Purulia.

Sealed Quotation in prescribed proforma hereby invited by the Executive Engineer, Purulia Irrigation Division, Bhatbandh, Purulia on behalf of the Governor of West Bengal for the "LIST OF WORKS" given in the next page from bonafied Agencies/Organization, Contractors & general order suppliers having credential (from the Govt. Of West Bengal/ Central Govt / PSU/Other State Govt. Departments / Engineering Wings of GOI/Ircon/RVNL/NHPC, Autonomous body & other similar organizations) of execution of similar nature of work of value Rs,50,000/-(Rupees Fifty Thousand) only during the current year and the last 5years from the date of publishing of N.I.Q for a single work.

The intending bidders having valid licenses, PTPC & ITR, PAN, GST registration etc. should possess adequate experiences in the field of detail topographical survey for enabling the requirement of Engineering Department and other related Departments who deal with details information of the areas in respect of political, geographical, topographical, demarcation of boundary, water bodies, roads, railways buildings, hutments, rivers, canals, drainage channels, bridge, culverts and all other requisite information to have detailed ea of the areas. Any additional input, if felt necessary by the department, is to be surveyed, incorporated and shown in the survey map to be handed over by the agency to the department. No additional expenditure in this connection will be borne by the department.

Prior to furnishing the Survey details i.e. work including C/S and Long Section as well as identify the Zone of Protection work if necessary for the proposed widening of existing road the lowest bidder should get well acquainted with his assignment in details discussions with the Assistant Engineer - II, Purulia Irrigation Division or his authorized representative to avoid submission of any incomplete survey details which is liable to be rejected. The Engineer-in-charge reserves the right in this regard to reject any/all incomplete (in terms of requirement of the department) survey drawing without assigning any reason thereof. The lowest bidder is liable to rectify any error/omission detected by the department at his own cost. No claim what so ever in this regard from the bidders will be entertained. The documents (Six sets) to be supplied both in hard copies and one in soft copy. The decision of the Engineer-in-charge is final and binding.

Scope of Work:-

- 1) Topographical Survey work including C/S and Long Section as well as identify the Zone of Protection work if necessary for the proposed widening of existing road.
- 2) Traffic Survey work of the Existing Road.
- 3) Cross section will taken at an interval of 30 meter Center to center of the existing Road
- 4) Six sets of cross sectional & long sectional drawings (Both in Excel & Auto Cad) along with Level Book in Excel (all are in Hard & Soft copy)
- 5) Any part of survey work, if not reflected in advertently, is to be surveyed by the bidder at his own cost.
- 6) Detailed plan of dam showing structures, Electric pole, Big trees (Dia. Above 900mm), side drain/Borrow pits, houses or any other obstruction, inspection path.

(Page-1/3)
